1 Detachment of 80 American Cavalry cut of by the Mexicans - Major Borland, Ca. sius M. Clay and Major Gaines taken Prisoners—Despatches from Gen. Scott to Gen Taylor intercepted by the Mexicans -Attack on Vera Cruz to be made.

A detachment composed of eight Kentucky and Arkansas cavalry was cut off when thirty miles beyond Salullo, by Gen. Minon. Thes formed and outpost, and were surprised and taken prisoners without resistance. Major Bur-land, Captain C. M. Clay, and Major Gaines Major Borwere captured.

The capture of Lieut. Ritchie and 10 draroons, with despatches from Genaral Scott to General Taylor, is confirmed. One account says they were cut off beyond Monterey and Victoria, and were all killed. The despatches are said to have contained the whole plan of our operations. Another account says that ten dragoons had reached Victoria in safety; but there is no doubt of the death of Lieut. Ritchie. Young Ritchie was lassoed and dragged across corn-field.

AN INFANOUS SENTIMENT - A writer in e New Hampshire Statesman, a Federal paer, uses the following traitorous language: "No one is bound to enlist or volunteer in war of invasion or conquest. Let every one tern alouf from this unrighteous, INFAMOUS, GOD-ABHORRED Mexican war and it will on come to an end. The prospect 13, that Administration can get neither men nor moto carry on an aggressive war much loner. Thank the Lord for all that."

This is as infamous and revolting as anying uttered by the Federalists, during the

LEVERRIER'S PLANET .- We see it announcas the result of late observations and discovties, that this planet is continually approaching the earth. "AID AND COMFORT."-The citizens of Mexico are by no means uninformed as to the N pu disposition and purposes of the Federal party in the United States. How the Federalists in Congress and out of it extend " aid and comfort" to the enemy, may be judged by the following extract, which we find in the Washington correspondence of the Journal of Commerce, under date of the 4th inst :- " A letter was received here yesterday, by a member of Congress, from an intelligent source in Mexico, which says that the Mexican leaders believe that there will be a change of administration in this country, in two years, and that they can make what terms of peace they please."

LIVER COMPTAINT is generally accompanied with pain in the right side, extending up to the top of the shoulder; variable appetite, occasionally a disordered stomach, yellow tinge of the skin and eyes, and often a swelling over the region of the liver, together with many other symptoms of a loaded and corrupt state of the

diseases of the Liver; because they expel from the body those morbid humors which, when deposited upon this important organ, are the cause of every variety of Liver Complaint. From three to six of the above named Pills, taken every night on going to bed, will in a short time, give such manifest relief, that no argument or persuasion will be necessary to induce a perseverance in their use, until the liver is restored to a healthy action, and pain or distress of every kind is driven from the body.

Wright's Indian Vegetable Pills also aid and impro digestion, and purify the blood; and, therefore, not only remove every vestige of the Liver Complaint, but at the same time, give new life and vigor to whole frame.

BEWARE OF COUNTERFEITS .- The public are can ioned against the many spurious medicines which, in or er to deceive are called by names similar to Wright' Indian Vegetable Pills
