Pr. W. Wright-Dear Sir: There is a man going through the country with counterfeit Wright's Indian Vegetable Pills-he calls himself your agent, and says he had the pills from your office. Mr. Jonss Shalter, of Schuylkill Bend Pa., took some from him, but after selling a few boxes found them miserable counterfeits .-He laid them aside till the man came again, and then told him the pills were counterfeit, and that he must take them back. The man got very angry and refused. Mr. Shalter told him he would try the law, upon which the man took them back, and confessed that he received them from an equivocal establishment in Philadelphia. The man's name is SAITH. He has "W. P. Miller, of Adams Co." marked on his wagon.

S. H. GILDERT. Yours, &c.,

From the above statement, country storekeepers will perceive that they cannot be too much on their guard against traveling impostors; and it is earnestly requested, that when they are visited in a manner similar to the above, they give the earliest information to the Philadelphis office so that, by means of our numerous travelers, we may intercept, and so stop their wicked career.

The authorized traveling agents have a Certificate of Agency signed by me, which they are ready to produce Wx. WRIGHT, when so desired.
