A little Logic and Common Sense. There are three things beyond dispute:—1st—If a man pays out much money, he must receive as much.

2. If a man's expenses in business are large, his profits

must be large.

Therefore, the Grocery and Shoe, Establishment at the corner of Main and Bridge etc., in a small plain store, at a cheap rent, can afford to sell boots & shoes, hats & caps, and groceries, at lower prices, and of better quality than any other store in town. Now, if this is not sound logic, two and two do not make four; but if it is, common sense calls on you to come to us for your Hats & Caps, Boots & Shoes &c. See the contrast, and let your own reason decide it it

was not your advantage to give us a trial.

CAUTION TO COUNTRY STORE-KEEPERS.—Whereas, nformation has been received as follows: READING, March 4, 1847. Dr. W. Wright—Dear Sir: There is a man going through the country with counterfeit Wright's Indian Vegetable Pills—he calls himself your agent, and says he had the pills from your office. Mr. Lonas Shalter, of Schuylkill Bend Pa., took some from him, but after selling a few boxes found them miserable counterfeits.—

Ma fail them seites with the ing a few toxes found them miserable counterfeits.—
He laid them aside till the man came again, and then
told him the pills were counterfeit and that he must bake
them back. The man got very angry and refused. Mr.
Shalter told him he would try the law, upon which the
man took them back, and confessed that he received
them from an equivocal establishment in Philadelphia.
The man's men is Sarru. He has "W. P. Miller, of

Adams Co." marked on his wagen
Yours, &c.,
S. H. Gilbert.
From the above statement, country storckeepers will
perceive that they cannot be too much on their guard
reging travelling importance and their guard against traveling impostors; and it is earnestly requested, that when they are visited in a manner similar to the above, they give the earliest information to the Philadelphia office so that, by means of our numerous travelers,

we may intercept, and so stop their wicked career.

The authorized traveling agents have a Certificate of Agency signed by me, which they are ready to produce when so desired:

W. Wunner,

169 Race street, Philadelphia.

WHEN WE SET that Wright's Indian Vegetable Pills are adapted to the relief and cure of almost every form of disease, it is not to be presumed that any medicine under heaven is equally calculated to do so. Even the best/imitations of the above celebrated Pills have so far proved wholly worthless compared to the original. The reason of this is, that Wrigit's Indian Vegetable Pills have a strictly scientific baris, and by a rare combination of properties, bring the whole system under their influence.

We do not ask, however, that a single word of the above shall be taken on trust. We appeal to experience, and to the overwhelming tertimony which has voluntatily been offered in favor of the medicine. A single trial will do more to convince than, a volume of words.

Beware of Sugar-coated Counterfeits!—The only original and sensiting Indian Versetable. Pills have the original and genuine Indian Vegetable Pills have the signature of William Whiten written with a pen on the top label of each box. None other are genuine, and to counterfeit this forgery. General Depot, 169 Race street, Philadelphia.
