BUGGY AND HARNESS FOUND. FOUND, on Saturday, the 13th of May instant, in the Township of Sheshequin, upon the premis of George Kinney, and in the woods near the main road leading back from the Susquehanns river, a one house BUGGY WAGON, with a one harness in it. The wa gon is about half-worn-painted black, with fine white stripe, and cushioned with gray satinett, (now nearly worn out.) It has good eliptic springs, and the dash-board leans beckward There was in it an old cushian and sheep skin. The Harness appears to be a plough harness, no breeching, half tugs and chains, thill straps, made of a halter strap, and double lines. In the wagon was also a strap halter with part of the stale cut off, and the head stall of a bridle with the blinders cut off. The wagon appeared to have been standing there some two of three weeks.

The owner can have said property, by calling on the subscriber, and paying for this advertisement. Sheahequin, May 19, 1848. PHILIP ROGERS.
