very troublesome companions. Those who have used TOUSE Y'S UNITERSAL OINTMENT, need not be told that it is a complete remedy, a master of pain, and the most speedy remover of inflammation ever discovered. The experience of such periods is suf-

trick and prevents scars. No family should be without it, as an immediate application of it in cases of burns or acada, would do more good while waiting for the docier than he could do when arrived, besides proventing long hours of the utmost suffering which might pass before a

physician could be obtained. It possesses control over the severest injuries by fire, over mortification, over inflammation, and by its combined virtues it acts as anti septie, nervine, anti-spas-modic, anodyne, cmollient and healing, and is the most

complete external remedy in use. Thousands have tried, and thousands praise it. It is rorking its way into public favor with a rapidity unknown in the history of medicines. Female Complaints, Measles, Salt Rheum, Heart Burn, Worms, Cholera, Morbus, Coughs, Quinsy, Wheeping cough, Consumption, Fits, Liver Complaint, Erysipetas, Desfners, Itchings of the Skin, Colds, Nervous Complaints, and a variety of other Diseases arising from impurities of Indigestion. It has been proved that nearly every disease to which

he human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the bland to the instant state. This fact as universally known , but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution or a fit of sickness rebakes them for the folly of their con duct. Still they had some accuse, for heretofore, med-icine in almost all in forms, was hearly as disgusting as it was beneficial. No., however, the will is most ef-fectually removed; for Clickener's Vegetable Purgutive Pill Pills, being completely enveloped with A coaring or Pulls, being completely enveloped with A coaring or PURE WRITE SUGAR, (which is distinct from the kernel) have no taste of medicine, but are as casily swallowed as bits of candy. Moreover they do not nausente or gripe in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any par-ticular region. (which is the great and admitted evil of every other purgative.) Hence they strike at the root of Disease, remove all impure humors from the blood, open the pores externally and internally, promote the Insensible Perspiration, obviate flatulency, Headache, dec.—separate all foreign and obnoxious particles from chyle, so that the blood, of which it is the origin, must be thoroughly pure-secure a free and healthy action to the Heart, Lougs and Liver, and thereby restore health

even when all other means have failed. GT A.1 letters of inquiry or for advice must be ad-dressed (post paid) to Dr.C.V.CI.ICKENER, No.66

Vesey-st., New York, or his authorized agents throughout the country. For sale in Towands, by CHAMBERLIN & PORTER, No. 1, Brick Row.

N. R. Remember, Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of, until he introduced them in June, 1843. Purchasers should therefore ask for Clickener's Sugar-Coated Pills, and take no other, or they will be made tha victims of a fraud.
