**Great & Important Chemical Discovery.**

Chemical Combination from the Vegetable Kingdom  
in rapid Disease.

**Dr. GUY'SOTT'S**

**YELLOW DOCK**

**SARSAPARILLA**

The most successful medicine in the world!

**THIS CHEMICAL COMPOUND**, containing as it does, Yellow Dock, so highly esteemed by the faculty—the most important discovery of the age, and far superior to all simple sarsaparilla preparations in use. After less than two years have elapsed, its discovery, it has already effected over 100,000 cures. The unrivaled power of this Syrup of Compound Purely of vegetable extracts, each one having a direct reference to some internal organ; consequently the whole system is benefited; and the fact that, in its operation, it occasions neither nausea nor pain, and can be taken under all circumstances without regard to business or diet, and by the aged and the infant with equal efficacy, is certainly a consideration in the history of Medicine. This Extract is put up in Quarts, Bottles, and in the most highly concentrated Syrup in use. It is offered at the low price of one dollar per bottle, the object being to give the patient an opportunity by the purchase of one bottle, to test its valuable medicinal properties and its power over disease.

This compound Extract of Yellow Dock and Sarsaparilla is a positive, speedy, and permanent cure for Consumption, Scrophulous or King's Evil, Erysipelas, Salt Rheum, Pimples on the face, Bores, Ulcers, Gout, General Debility, Dyspepsia, Liver Complaints, Spinal Affections, Female Complaints, Dropsy, Syphilis in its worst form, Affections of the Bladder and Kidneys, Bilious Colic and serious Looseness, Bites, Coughs, Colds, Croup, Humors, Asthma, Dropsy, enlargement of the Spleen, Ague, Chills, Gravel, Rheumatism, Headache, of every kind, Insane, Juvenile, Leucorrhoea, Nervous Complaints of all kinds, Neuralgia, Chronic Affections, Palpitation of the Heart, Painter's Colic, Piles, rash of Blood to the Head, Scoury, Swellings, Sick Headache, Stiffness of the joints, Exposure and Impotence of Life.

It extracts nervous disease, purifies and enriches the blood, and invigorates the body more effectively than any medicine hitherto offered to the public.

In the Vegetable Kingdom, an All-wise Being has deposited such plants and herbs as are congenial to our constitution, and adapted to the cure of all curable diseases to which human nature is inclined. All this Compound Syrup is composed of all those valuable plants, some of which have lately been discovered and used, and found to be certain specifics in thousands of diseases that befell the best of medical skill.

**OPINIONS OF PHYSICIANS.**

This is to certify that we, the undersigned Physicians of the city of New York, have in a very great many cases prescribed Doctor Guy'sott's Extract of Yellow Dock and Sarsaparilla, and have fully satisfied that it has no equal among the varied Syrup and Sarsaparilla preparations that have ever sold, October 10, 1847.

**DYSPEPSIA, GENERAL DEBILITY, &c.**

WATERBURY, Jefferson Co., Nov. 4, 1847.

Mr. S. F. BENNETT:

Dear Sir—I am at a loss to express with words what has been said in praise of your Compound Extract of Yellow Dock and Sarsaparilla, all who have used it, and who are afflicted with any of the various diseases to which human nature is inclined, are enabled to remove disease, with so much feeling and heartiness, satisfaction, that I am confident now that no medicine in use can boast of its superior qualities. Many who have been complaining for years with pain in the side, burning and pain in the chest, dyspepsia, general debility, loss of appetite, chills, night sweats, salt rheum, scrophulous, in fact all the diseases that we in this climate are heir to, find in the Yellow Dock and Sarsaparilla, all that is requisite to make them what they were in their days of health.

We have had twelve dozen bottles in three months, and find we are nearly out. Please send an equal amount, and I will be glad to pay for it.

O. L. GREGORY.

**DYSPEPSIA CURED, OF 30 YEARS STANDING.**

St. JOHNSVILLE, Montgomery Co., Jan. 3, 1848.

S. F. BENNETT:—Dear Sir—Some four weeks since I was induced to try your Yellow Dock and Sarsaparilla for Dyspepsia; had been afflicted about 30 years, most part of the time unable to eat anything without suffering intensely from its effects. I have used only one bottle of your invaluable medicine, and consider myself entirely cured solely by its use. Can now eat a hearty meal, without the slightest inconvenience.

Very truly yours, ANTHONY BECKMAN.

**THE GREATEST FEMALE MEDICINE NOW KNOWN.**

The mild alternative purgative of Dr. Guy'sott's Extract of Yellow Dock and Sarsaparilla, render it peculiarly applicable to the slender and delicate constitution of the female. It is unrivaled in its effects upon such diseases as Insipid Consumption, Barrenness, Leucorrhoea or Whites, Irregular Menstruation, Incontinence of Urine, and general debility of the system. It immediately counteracts that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they are grateful.

We cannot, of course, exhibit certificates to any extent in this class of complaints, but the following extracts of letters received, indicate sufficiently the great virtue of the medicine as a remedy for the diseases referred to.

NEWARK, Jan. 25th, 1848.

Mr. BENNETT:—We take pleasure in stating that your Yellow Dock and Sarsaparilla gives great satisfaction in every case. We shall try and send you some certificates.

A very respectable gentleman informs us that his daughter was troubled with difficult menstruation, and other diseases peculiar to her sex. She had not had her regular menstrual discharges for a long time; but by the use of Dr. Guy'sott's Yellow Dock and Sarsaparilla was radically cured. Had used Townsend's and others, without receiving the slightest benefit. He had one daughter die from the same cause. Please send us an additional supply. Very respectfully yours, J. E. TRIPPE & CO.

**CAUTION EXTRAORDINARY.**

There are counterfeit medicines about; therefore the reader is particularly cautioned not to allow himself to be imposed upon.

Beware how you buy medicine put up in square quart bottles, and sold by Dr. Guy'sott's Compound Extract of Yellow Dock and Sarsaparilla, bearing the written signature of S. F. Bennett, on each outside wrapper, written with black ink; and do not, on any account, be induced to buy any other article—this is the preparation only that is performing such marvelous and astonishing cures. Take no man's word, as persons having the counterfeit medicine and not genuine, are of course desirous of making their profits—consequently you are liable to buy worthless trash, unless you examine for yourselves.

Remember, Dr. GUY'SOTT'S YELLOW DOCK AND SARSAPARILLA.

Prepared by S. F. Bennett's Laboratory, Little Falls, Herkshire county, N. Y., and sold at wholesale in New York City by J. E. Tripp, 128 Maiden Lane; also by Tracy Beale, Elmira; J. M. Rexton, Binghamton; J. L. Vinney, & Son, Oswego; and by the principal druggists and merchants throughout the U. States, West Indies and Canada.

**ERUPTIVE DISEASES.**  
will find the alternative properties of this article, PURIFY THE BLOOD, and such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named, but Agents give them away; they contain 32 pages of certificates of high character, and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article that it never fails to benefit in any case, and if bone and muscle are left to build upon the let the enervated and lingering invalid hope and keep taking the medicine as long as there is improvement. The proprietor would caution the public against a number of articles which come out under the name of Sarsaparilla, Syrup, &c., as cures for Dropsy, Gravel, &c.; they are good for nothing, and connected to gull the unwary; touch them not. Their interest never touches the great benefit of this article, and it does it.

A particular study of the pamphlet is solicited. Agents and all who sell the article are glad to circulate gratuitously. Put up in 30 oz. bottles, at \$12.00; do at \$1 each—the larger holding 6 oz. more than two small bottles. Look out and do not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the written signature of "C. G. Vaughn" on the directions and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine. Prepared by Dr. C. G. Vaughn, and sold at the Principal Office, 209 Main Street, Buffalo, at wholesale and retail. No attention given to letters unless accompanied by a stamped envelope. Agents are supplied; post paid letters, or verbal communications soliciting advice, promptly attended to, gratis.

**A SOVEREIGN BALM.**

**DR. E. L. SOULE & CO.**

**SOVEREIGN BALM**

NO other medicine has ever been introduced to the public that has met with such unparalleled success, as Dr. SOULE'S ORIENTAL SOVEREIGN BALM PILLS—having been sold for six years past, and the increasing number of cures they have effected, and the many states in the Union and Canada. They have been absolutely become the Standard Medicine of the day. They are purely vegetable, and so admirably compounded that when taken in large doses they speedily cure acute diseases, on the strongest constitutions, such as biliousness, constipation, and when taken in small doses they operate like a charm upon the most delicate, nervous female, and have raised numbers from their beds after all other remedies had failed. We here refer to but few of the many marvellous cures effected by the use of said Balm.

**Spasmodic Affection.**—Anna Wood, of Rutland, Vt., Co., N. Y., was cured after she had been confined by her 5 years, with Spasmodic Affection and Abcess of the Lung. The bill of her regular physician, (Dr. Johnson, of Clay) had amounted to \$800. See Circulars.

**Neuralgia and Nervous Debility.**—Mrs. Downs, of Clay, N. Y., was cured of Dyspepsia, Nervous Debility and Scrophulous affection of the head, after she had been confined six months, and all other medicine had failed. Cough and Consumption cured. Wm. Bentley, of Pickering, C. W., was cured of a severe cough after he had been confined to his bed for a long time, and was given up by his physicians. He had used almost of the Compound Medicines of the day, and was supported by his friends and physicians, and he was in the last stages. Dyspepsia.—A. B. F. Ormsby, of Syracuse, N. Y., was cured of dyspepsia so severe as not to be able to work for two years.

Wm. Smith, Greenwich, Conn., was cured of a severe case of Dyspepsia, Constipation and Nervous Debility of two years standing, after expending large sums of money to no purpose. See Circulars.

**Severe Case of Piles.**—John Bolton, of Harwick, Oswego Co., N. Y., was cured of a severe case of Piles and external hemorrhoids of long and painful duration. Who would not sacrifice a few shillings to be relieved from so distressing a complaint?

The above are all cases in which all other remedies failed to cure or give relief. Many of the same character might be published if we had space. For particulars see Balm's Instructions, which can be had of agents.

**Beware of Counterfeits.**—As there are spurious Pills in circulation called Oriental or Sovereign Balm, be sure to see before you buy that the name of "Dr. E. L. Soule & Co." is on the face of the boxes. None other can be genuine. We are not aware that any one who is making a spurious article has yet dared to make use of our name; but some of them have had the impudence to imitate our boxes and copy our circulars, certificates, &c. Unless the public are careful when they purchase, they will be deceived.

The genuine Pills can be had wholesale and retail of Dr. E. L. SOULE & CO., Buffalo, N. Y.

Sold in Towanda, by J. B. FORD, and CHAMBERLIN & PORTER; Geo. A. Perkins, Athens; Lysander Durkin, Buffalo; A. & S. H. Morley, Burlington; Levi Taylor, Granville; Samuel Smith, Franklin; A. Burroughs, Watonga; George Nichols, Rome; H. Z. Frieble, Orwell; J. E. Bullock, LeRoyville. 46-2m

**HEMORRHOIDS OR PILES.**

**INTERNAL AND EXTERNAL PERMANENTLY CURED**

**By Dr. Upham's Vegetable Electuary.**

**AN INTERNAL REMEDY,** which, if used according to directions, a cure for life is guaranteed.

A common consequence of this affection is a kind of tenesmus, or bearing down sensation, so it is familiarly called, there is also heat, tension and throbbing in the part, varying from a moderate degree of these sensations to the most excruciating suffering—these are caused by the great flow of blood to the parts. Sometimes the inner coat of the bowel protrudes at every evacuation, forming what is called Prolapsus or falling of the bowels; this is the effect of long continued irritation and weakness of that organ. In some instances the patient experiences nervous pains, which are indelible, and known only to the sufferer, which commence immediately after an evacuation, and continue from thirty minutes to several hours; these sensations are very annoying and sometimes very distressing. This disease, when of long continuance, is attended by pain and weakness in the back, irritation of the kidneys and bladder, and other organs in the vicinity, pain and numbness in the legs and feet, a sense of straightness about the chest, and unnatural feelings of the abdominal viscera accompanied with palpitation of the heart and oppression, individuals sometimes experience, previous to an attack of the Piles, symptoms denoting great derangement in the circulation; there is a sense of weight and pressure in the abdomen, with a peculiar feeling of uneasiness in the bowels, constipation of peristalsis, attended with pain in the back and loins, and slight pain in the stomach, pale countenance, confused sensations in the head, weariness, and irritable and disquieted state of the mind, and a sense of fullness and oppression in the region of the stomach. The circulation on the surface is feeble, and the current of blood determined inward and downwards. FOR ALL OF THE ABOVE AFFECTIONS, USE

**READ THE TESTIMONY.**

Hudson, December 11, 1846.

GENTS.—I have used Dr. Upham's Vegetable Pile Electuary which I purchased of you, and find it one of the best remedies for the Piles, and also for all the various ailments, arising from an impure state of the system. Yours, &c. E. A. Cole, Marble Dealer, UNITED STATES MARSHAL'S OFFICE, New York, Dec. 8, 1847.

Mrs. WYATT & KERRICK—Gentlemen:—Understanding that you are the general agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with piles, and have tried various remedies but with no beneficial effect, I began to consider my case utterly hopeless. But about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine. I took his advice and rejoice that I am not only relieved, but as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease. Very respectfully, your obedient servant, ELY MOORE.

**THIRTY YEARS STANDING!!**

Blackwell Island, N. Y., Nov. 29, 1847.

Messrs. WYATT & KERRICK—Gentlemen:—For thirty years I have been afflicted with piles, general debility and inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done more for me than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours, JAMES CUMMINGS.

**CANKER IN THE MOUTH.**

Below is an account of another child cured. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following two certificates are selected from a great number received this week.

**FITS! FITS! FITS!**

Dr. Townsend (not having tried his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:

Fordham, August 13, 1847.

Dr. Townsend:—Dear Sir: I have a little girl, ten years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, however, we could find no recommendation in our circular for cases like hers we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has not had a seizure since. I am sure you will be very glad to hear of this, for it is a great blessing to the afflicted. Yours, respectfully, JOHN B. FORD, Agent for Towanda, Pa. 45y

**DR. TOWNSEND'S SARSAPARILLA.**

Wonder and blessing of the Age!

**MOST EXTRAORDINARY MEDICINE** in the world! This Extract is put up in Quarts, Bottles, and in the most highly concentrated Syrup in use. It is offered at the low price of one dollar per bottle, the object being to give the patient an opportunity by the purchase of one bottle, to test its valuable medicinal properties and its power over disease.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates disease, it invigorates the body. It is one of the very best and most powerful purgatives the whole system, and ever known; it not only purifies the system, and creates new blood, a power possessed by no other medicine. And in this lies the great secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

**10,000 cases of General Debility and want of Energy.**

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive use of stimulants, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any invigorating Cordial, and renews and invigorates the system, gives activity to the limbs, and strength to life muscular system, in a most extraordinary degree.

**CONSUMPTION CURED.**

Cleanse and Strengthen. Consumption can be cured. Dr. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Debility or Profuse Expectoration, Pain in the side, &c., have been and can be cured.

**SPITTING BLOOD.**

New York, April 28, 1847.

Dr. Townsend:—I verily believe your Sarsaparilla has been the means through Providence, of saving my life. I have for several years had a bad Cough, it became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change brought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant, W. M. RUSSELL, 65 Catherine-st.

**RHEUMATISM.**

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtue.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

Blackwell's Island, Sep. 14, 1847.

Dr. Townsend:—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat or sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done more for me than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours, JAMES CUMMINGS.

Below is an account of another child cured. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following two certificates are selected from a great number received this week.

New York, Nov. 27, 1847.

Dr. Townsend:—Dear Sir:—One of my children was very sick with a Canker in the Mouth and Throat attended with great Debility. It came near dying. I obtained some of your excellent medicine, and it cured it directly, for which I am sure you'll feel very grateful. Yours, respectfully, ELIZABETH FOWLER, 27 Desbrosses-st.

**FITS! FITS! FITS!**

Dr. Townsend (not having tried his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:

Fordham, August 13, 1847.

Dr. Townsend:—Dear Sir: I have a little girl, ten years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, however, we could find no recommendation in our circular for cases like hers we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has not had a seizure since. I am sure you will be very glad to hear of this, for it is a great blessing to the afflicted. Yours, respectfully, JOHN B. FORD, Agent for Towanda, Pa. 45y

**SHERMAN'S ALL-HEALING BALM.**

Mrs. Ature, the wife of Wm. H. Ature, Esq., was cured of Consumption by this Balm when all other remedies failed to give relief—she was reduced to a skeleton. Dr. C. G. Vaughn, 231 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balm operated like a charm. Dr. C. G. Vaughn witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balm. It heals the ruptured and scorched blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beale, 19 Delancy street, gave it to a sister-in-law who was consuming under consumption, and to another who was afflicted with Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lucretia Wells, 53 Christie St., suffered from Asthma 42 years. Sherman's Balm relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This induces a timely remedy for Coughs, Spitting Blood, Liver complaints and all affections of the throat, and even Asthma and Consumption.

**Clicker's Vegetable Purgative Pills.**

ARE the first and only medicine ever discovered that will positively cure Headache, Giddiness, Piles, Dyspepsia, Scurvy, Swellings, Constipation, Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heart Burn, Worms, Cholera, Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Dizziness, Itchings of the Skin, Colds, Nervous Complaints, and a variety of other diseases arising from impurities of Indigestion.

It has been proved that nearly every disease to which the human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the blood to its natural state. This fact is universally known, but few have been able to procure a medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution, or a fit of sickness rebukes them for the folly of their conduct.
