Although less than two yests have elapsed since its discovery, it has already effected over 15,000 curva. The unrivalled power disease which this Syrup produces may be attributed to the fact that it is composed purely of vegetable extracts, each one having a direct reference to some internal organ; consequently the whole system is benefitted; and the fact that, in its operation, it occasions neither sickness nor pain, and can be taken under all circumstances without regard to busigess or diet, and by the aged and the infant with equal efficacy, is certainly a consideratum in the history of Medicine. This Extract is put up in Quart Bottles, and is the most highly concentrated Syrup in u-e. It is offered at the low price of one dullar per Bottle, the object of heing to give the parient an opportunity by the purchase of one bottle, to test its valuable medical properties and its power over disease.

This compound Extract of Yellow Dock and Sama parilla is a positive, speedy, and permanent cure for Consumption, Scrofula or King's Evil, Erysipelas, Salt Rheum, Pimples on the face, Rheumatism, Gout, General Debility, Dyspepsia, Liver Complaints, Spinal Affections, Female Complaints, Ulcers, Syphila in its worst form, Affections of the Bladder and Kidneys, Bilious Colic and serous Looseness, Biles, Costiveness Colds, corrupt Humors, Arthma, Dropsy, enistmement of the Bones, Pever and Ague, Giddiness, Gravel, Headaches, of every kind, Impure blood, Jaundice, Loss of Appetite, Leprosy, Mercurial Diseases, Night Sweats, Nervous Complaints of all kinds, Neuralgia, Organic Affections, Palpitation of the Heart, Painter's Colic, Files, rush of Blood to the Head, Scurvy, Swellings, Sick Headache, Stiffness of the joints, Exposure and Imprudence of Life.

constitutions, and adapted to the cure of all curable diseases to which human nature is incident. All this Compound Syrup is composed of all those valuable plants, some of which have lately been discovered and used, and found to be certain specifics in thousands of diseases that before defied the best of medical skill.

DYSPEPSIA CURED, OF 30 Y'RS STANDING.

ST. JOHNSVILLE, Montgomery Co. Jan. 3, '48 F. BENNETT-Dear Sir-Some four weeks since I was induced to try your Yellow Dock and Sarsaparilla for Dyspepsia; had been afflicted about 40 years, most part of the time unable to cat anything without suffer-ing intensely from its effects. I have used now only bottle of your invaluable , niedicine, and consider myself entirely cured solely by its use. THE GREATEST PEMALE MEDICINE NOW KNOWN.

The mild alterative properties of Dr. Guyant's extract of Yellow Dock and Sarseparille, render it pecu-liarly applicable to the slender and delicate constitution of the female. It is unrivalled in its effects upon such diseases as Insipient Consumption, Barrenness, Leycorrhoes or Whites, Irregular Menstruction, Incontinence of Usine, and general Prostration of the system It immediately counterants that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they . are grateful.

We cannot, of course, exhibit certificates to any extent in this class of complaints, but the two following extracts of letters recently received, indicate sufficiently the great virtue of the medicine as a remedy for the discases referred to.

NEWARE, Jan. 25th, 1848. Mr. BREVETT-We take pleasure in stating that your Yellow Duck and Sarasparilla gives great satisfaction in every case. We shall try and send you some certificates.
