

FOR HORSES.

Which is also a Universal Family Embrace for Diseases of the Human Flesh.

TIME and experience have fully proved that this UNIVERSAL REMEDY has not its equal in the list of popular medicines, having been more than 15 years before the public.

A young man in the town of Wilson, whose clothes were burnt off of him, was restored (without suffering) by the timely use of the Oil.

Numerous are the testimonials of patients themselves, and others who have used the Oil, of cures which in themselves appear remarkable.

The following diseases are among many others in the cure of which this Oil has been completely successful.

Scalds, Scalded Heads, Galls of all kinds, Lameness, Fresh Wounds, Sprains, Bruises, Sand Cracks, Foundered Feet, Scarcinches, or Grease Manes, Rheumatism, Bites of Animals, External Potions, Painful Nerves, Burns and Scalds, Chilblains, Chapped hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c.

CAUTION TO PURCHASERS. Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor, GEORGE W. MERCHANT, LOCKPORT, N. Y., is blown in the side of the bottle, or in his hand writing over the cork.

THE NEW WORLD AIR-TIGHT COOKING STOVE. It is distinguished for the liberal size of its oven and fire-box. To it is attached a Summer Fixture, upon the boiler holes of which the wash boiler belonging to the stove can be used, thereby rendering it in capacity equal to a six boiler stove. It can be transferred from the fire-box directly into the Summer Fixture, by drawing forward, without the use of a shovel. By throwing open the front doors of the fire-box, when broiling or roasting is done in the Summer Fixture, the fumes from the articles cooking are carried off through the stove, without being disseminated into the room. The top of the oven is protected by an iron plate to prevent an excess of heat upon the articles baking. It can be removed, if the heat is needed to be increased. The oven will be found to bake with great uniformity in all its parts.
