Discuses of the Human Flesh.

TIME and experience have fully proved that that this UNIVPESAL REMEDY has not not its equal on the list of popular medicines, having been more than

14 years before the public. Testimony of the most disinterested character of its underful effects on the animal economy is almost dai-

presented to the proprietor, A young man in the town of Wilson, whose clothes were burnt off of him, was restored (without suffering) by the timely use of the Oil.

Numerous are the unsolicited statements of patients themselves, and others who have used the Oil, of cures which in themselves appear remarkable, that they at all interested in a pecuniary point, they could hardly

have been ciedited. The following diseases are among many others in the

matism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whit-lows, Burns and Scalds, Chilblaine, Chapel hands, Cramp, Contractions of the Mescles, Swellings, Weskness of the Joints, Caked Breasts, &c.

CAUTION TO PURCHASERS.

Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor, GEORGE W. MERCHANT, LOCKPORT, N. Y., is blown in the side of the bottle, or in his hand writing over the cork. Don't be persuaded to take any thing else with the promise it is just as good, &c., &c. This is practised by those unprincipled dealers whose conscience will stretch like n our large cities, whose nefarious practices have so re-

cently been exposed to the action of Congress. Those who attempt to Counterfeit this article are re ferred to the law of New York, of May 1815, by which it will be seen that every prison modifing in these counterfeits is subject to indictment, imprisonment, and

A person selling out of this state, will be liable to ar rest when in the state, and also to be held as a witness against those he bought of or sold for. All Orders addressed to the proprietor will be respond-

ed to. Get a pamphlet of the Agent and see what wonders are accomplished by the use of this medicine. Sold by respectable dealers generally in the United

Stries and Canada. For sale by Chamberlin & Porter, Towanda, E. D. Wells, Lawrenceville, Edwin Dyer, Covington, Abel Turrell, Munitose, Pomp & Kinsey, Easton, Lawis Smith & Co., Allentown, H. B. Duffin, South Easton. Oct. 15th 1848. n20,y1.
