

Great & Important Chemical Discovery.
Chemical Combination from the Vegetable Kingdom to Form Digestive

DR. GUYSSOTT'S
EXTRACT OF
YELLOW DOCK
SARSAPARILLA

The Most Specific of Medicines in the World!

THIS CHEMICAL COMPOUND, containing a dozen of the most important discoveries of the age, and its inventor to all simple sarsaparilla preparations in use. Although less than two years have elapsed since its discovery, it has already effected over 15,000 cures. The unrivaled power disease which this Syrup produces may be attributed to the fact that it is composed purely of vegetable extracts, each one having a direct influence on some internal organ; consequently the whole system is benefited; and the fact that, in its operation, it occasions neither sickness nor pain, and can be taken under all circumstances without regard to business or diet, and by the aged and the infant with equal efficacy, is certainly a consideration in favor of its use. It is put up in Quarts Bottles, and is the most highly concentrated Syrup in use. It is offered at the low price of one dollar per Bottle, the object being to give the patient an opportunity by the purchase of one bottle, to test its valuable medicinal properties and its power over disease.

This compound Extract of Yellow Dock and Sarsaparilla is a positive, safe, and permanent cure for Consumption, Scrofula or King's Evil, Erysipelas, Salt Rheum, Pimples on the face, Rheumatism, Gout, General Debility, Dropsy, Liver Complaints, Spinal Affections, Female Complaints, Ulcers, Syphilis in its worst form, Affections of the Bladder and Kidneys, Bilious Colic and various Lueses, Bites, Gout, Gonorrhoea, the Bones, Fever and Ague, Giddiness, Gravel, Headache, every kind of Impure blood, Jaundice, Loss of Appetite, Lepra, Venereal Disease, Night Sweats, Nervous Complaints of all kinds, Neuritis, Organic Affections, Palpitation of the Heart, Pains in the Side, Piles, Struck Blood to the Head, Scourge, Headaches, Stiffness of the joints, Exposure and Impurity of Life.

It extracts nervous disease, purifies and enriches the Blood, and invigorates the body more effectually than any medicine hitherto offered to the public.

In the Vegetable Kingdom, an All-wise Being has deposited such pains and troubles as are common to our constitution, and adapted to the cure of all curable diseases to which human nature is incited. All this Compound Syrup is composed of all those valuable plants, some of which have lately been discovered and used, and found to be certain specifics in thousands of diseases that before defied the best of medical skill.

OPINIONS OF PHYSICIANS.

This is to certify that we, the undersigned Physicians of the city of New York, have in a very great many cases prescribed Doctor Guyssott's Extract of Yellow Dock and Sarsaparilla, and have found that it has no equal among the various Syrups and Sarsaparilla preparations that have ever been sold. DYSPEPSIA, GENERAL DEBILITY, &c.
Mr. F. P. LEXYER.

Dear Sir—I am at a loss to express with words what has been said in praise of your Compound Extract of Yellow Dock and Sarsaparilla; all who have had the pleasure of using it speak of its marvellous effects in removing disease, with a most refreshing and gratifying satisfaction, that has not only cured me, but has in use as a basis of its superior qualities. Many who have been complaining for years with pain in the side, burning and pain in the chest, dyspepsia, general debility, loss of appetite, chills, night sweats, salt rheum, scrofula, in fact all the diseases that are in this climate are here to find in the Yellow Dock and Sarsaparilla, all that I desire to make them what they were in their days of health.

We had twelve dozen bottles in three months, and find we are nearly out. Please send an equal amount, and O! give yours.

DYSPEPSIA CURED, OF 30 YEARS STANDING.
St. Johnsville, Montgomery Co., Jan. 3, 1848.

Sir—W. H. W. Jones, aged 48 years, writes me that he was induced to try your Yellow Dock and Sarsaparilla for Dyspepsia; had been afflicted about 40 years, most part of the time unable to eat anything without suffering intensely from its effects. I have used now only one bottle of your invaluable medicine, and consider myself entirely cured of my disease. It is a most healthy medicine, and of the most confidence.

A very respectable gentleman informs us that his daughter was troubled with difficult menstruation, and other diseases peculiar to her sex. She had not had her regular menstrual discharges for a long time; but by the use of Dr. Guyssott's Yellow Dock and Sarsaparilla, was relieved of her complaint. Had used Purgative Pills, without receiving the slightest benefit. He had one daughter die from the same cause. Please send an additional supply. Very respectfully,
J. E. TRIPP & CO.

CAUTION EXTRAORDINARY.

There are counterfeit medicines about; therefore the reader is particularly cautioned not to allow himself to be imposed upon.

Beware how you buy medicine put up in square quart bottles. The very sure and safe Dr. Guyssott's Compound Extract of Yellow Dock and Sarsaparilla, leaving the written signature of S. F. Bennett, on its outside wrapper, written with black ink; and do not, on any account, be induced to buy any other article—as it is this preparation only that is performing such marvellous and astonishing cures. Take no man's word; as persons having the counterfeit medicine and no genuine, are of course desirous of making their profits—consequently you are liable to be worsted, unless you examine for yourself.

Remember, Dr. GUYSSOTT'S YELLOW DOCK AND SARSAPARILLA.
Prepared at S. F. Bennett's Laboratory, Little Falls, Herkimer county, N. Y., and sold at wholesale in New York City by J. E. Tripp, 128 Maiden Lane; also by Tracy, Beards, Elmira, L. M. HEMORRHOIDS, OR PILES.

INTERNAL AND EXTERNAL PERMANENTLY CURED.
By Dr. Upland's Vegetable Electuary.

AN INTERNAL REMEDY, which, if used according to directions, a cure for life is guaranteed. SYMPTOMS OF THE DISEASE.

A common consequence of this affection is a kind of tenesmus, or bearing down sensation, as it is familiarly called; there is also heat, tension and throbbing in the part, varying from a moderate degree of these sensations to the most excruciating suffering, which is increased by the great flow of blood to the parts. Sometimes the inner coat of the bowel protrudes at every evacuation, forming what is called Prolapsus or falling of the bowels; this is the effect of long continued irritation and weakness of that organ. In some instances the patient experiences nervous pains, which are indelible, and known only to the sufferer, and which sometimes last thirty minutes to several hours; these sensations are very annoying and sometimes very distressing.

This disease, when of long continuance, is attended by pain and weakness in the back, irritation of the kidneys and bladder, and other organs in the vicinity, pain and numbness in the legs and feet, a sense of straightness about the chest, and unnatural fullness of the abdominal viscera, accompanied with palpitation of the heart and oppression, individuals sometimes experience, previous to an attack of the Piles, symptoms denoting great derangement in the circulation; there is a sense of weight and pressure in the abdomen, with a peculiar feeling of uneasiness in the back and loins, and sometimes slight pains in the stomach, pale countenance, cough, and other sensations in the head, weariness, and irritable and discontented state of the mind, and a sense of fullness and oppression in the region of the stomach. The circulation on the surface is feeble, and the current of blood determined inwardly, and downwards, for all of the above symptoms.

Dr. Upland's Vegetable Electuary.
Cures Effectually and therefore prevents Piles.

UNITED STATES MERRILL'S OFFICE.
New York, Dec. 6, 1847.
Messrs. WYATT & KIRBY—Gentlemen:—Understanding that you are the general agents for the sale of Dr. Upland's Vegetable Electuary, for the cure of Piles, I have deemed it my duty to volunteer a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with piles, and have tried various remedies but with no beneficial effects. I began to consider my case desperate, and was about to give up, when I was prevailed upon by a friend to make a trial of the above named medicine. I took his advice and rejoice that I am not only relieved, but, as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease. Very respectfully, your obedient servant,
ELY MOORE.

REMARKABLE CURE OF PILES!!
THIRTY YEARS STANDING!!
MOUNT WASHINGTON,
Berks County, Pa. (Mass.) Nov. 29, 1847.
Messrs. WYATT & KIRBY—Gentlemen:—For thirty years I have been afflicted with piles, general debility and inflammation, causing tenesmus and prolapsus of the bowels, and which resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my suffering defied description. I was confined to bed, unable to help myself, and at last given up by my physicians and friends in despair of my recovery. I am so much relieved, indeed, I am entirely cured. I was entirely speechless, and my burial clothes were made. But under Providence, and the use of Dr. Upland's Electuary, though an old man I have the pleasure of stating the fact to the public that my health is now good, and hope to live many years, if it is God's will, to make known the virtues of Dr. Upland's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all that knew my case, and I only say to others that it is, in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure in every case. Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully certify.

DR. TOWNSEND'S SARSAPARILLA.
Wonder and blessing of the Age!

MOST EXTRAORDINARY MEDICINE in the world! This Extract is put up in Quart Bottles: it is six times thicker, purgative, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines, is that while it eradicates disease, it invigorates the body, it is one of the very best SPRING AND SUMMER MEDICINES.

Every cure it not only purifies the whole system, and strengthens the person, but creates a new and permanent vigor, and is a power secured by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 150,000 were considered incurable. It has saved the lives of more than 50,000 children during the two past seasons.

10,000 cases of General Debility and want of Energy.
Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indolence committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, premature decay and decline, basing towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any Invigorating Cordial, as it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

CONSUMPTION CURED.
Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficulty or Profuse Expectoration, Pain in the side, &c., have been and can be cured.

SPITTING BLOOD.
New York, April 28, 1847.
Dr. TOWNSEND.—I verily believe your Sarsaparilla has been the means through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to survive. I had only used your Sarsaparilla a short time, and there has been a wonderful change brought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
W. M. RUSSELL, 65 Catherine-st.

RHEUMATISM.
This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.
James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:
New York, Nov. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand other medicines. I am now as well as I can be—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.
Yours, respectfully,
JAMES CUMMINGS.

CANKER IN THE MOUTH.
Below is an account of another child saved. Dr. Townsend's Sarsaparilla has saved the lives of thousands of children. The following certificates are selected from a great number received this week.
New York, April 1, 1847.

Dr. Townsend—Dear Sir—One of my children was very sick with a Canker in the Mouth and Throat attended with great debility. It came near dying. I obtained some of your excellent medicine, and it cured it directly, for which I assure you I feel very grateful.
Yours, respectfully,
ELIZABETH FOWLER, 27 Dehoborst-st.

FIT'S! FITS! FITS!
Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:
Fulton, August 13, 1847.

Dr. Townsend—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last although we could find no recommendation in our circular file cases like hers we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and we were glad to find it had not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fit, becoming ruddy and hearty, for which we feel grateful.
Yours, respectfully, JOHN DUTLER, Jr.

FEMALE MEDICINE.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately contracts the nervous looseness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us, from the hands of our kindred families, have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

TO MOTHERS AND MARRIED LADIES.
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subjected during that time. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating, as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

OPINION OF PHYSICIANS.
This is to certify that we the undersigned, Physicians of the city of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.
Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stolen and copied our advertisement, and are only worthless imitations, and should be avoided.

Silence that Dreadful Cough!
THE Lungs are in danger, the work of the destroy, has been begun; the cough of Consumption is in its course of death.

Dr. SHERMAN'S ALL-HEALING BALSAM. Mrs. ATRE, the wife of Wm. H. Atre, Esq., was seized up by Dr. Sewall of Washington, Dr. Rose and Mr. Gellan of Philadelphia, Drs. Rose and Mot of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mr. Garrastratt, of Bull's Ferry was also cured of consumption by this Balsam when all other remedies failed to give relief—he was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.
