Dr. Swayne's Compound Syrup of Wild Cherry.

A truly Wonderful Cure.

Dr Swayne—Dear Sir: In October last, while engaged with Mr Joseph Smith, in a saw-mill near Waynesburg, I was seized with a cough, from being exposed at night, which gradually increased, attended with spitting of blood and a great pain in the breast, loss of appetite, fever, &c &c, which rendered me scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet was obliged to cease all my business and return home. I was then attended by several Phys cians, but still grew worse, until my medical attendants gave me up as incurable. Subsequently, my wife observing in one of the public prints, an advertisement of Dr Swayne's Compound Syrup of Wild Cherry, procured me one bottle from Francis McClure, your agent in Lewistown, which relieved me. I continued until I had taken five bottles I am now able to return to my work again. I write this to refer you my sincere thanks, and you are at liberty to make it known, so that if any human being is suffering as I have been he may have recourse to your invaluable medicine.

Lewistown, Pa. Yours, JOHN P. BOYD

☞ Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. Swayne is on each bottle, which is the only guarantee against imposition.

Prepared only by DR SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

For sale wholesale and retail by CHAMBERLIN & PORTER, sole agents for Towanda, Pa., and by C. H Herrick, Athens, Pa.

CHILD-BIRTH!

A valuable Scientific Work, upon the subject of Gestation and Child Birth, by R. G. Geisner, M. D., late of Paris, just published in New York by the Author. Price Twenty five Cents.

THIS WORK contains recently discovered information upon a subject of the highest importance to Married Persons, or those contemplating Marriage.

It will be found of special value to those whose means, health or other circumstances, do not permit them to increase the number of their family, without great inconvenience, suffering, or perhaps risk of life.—A method of avoiding these troubles and dangers, at will, (recently discovered by a celebrated French Physician,) is fully communicated in this work, so that any person may avail himself of it at once once, without cost. The means of prevention here set forth are therefore within the reach of all. The process is new, safe, infallible, convenient, simple, and cannot injure the health of the most delicate.

CAUTION.—Some speculator has clandestinely (under another name) published an imitation, (bearing the same title,) which, besides omitting the most important portions of it, dupes the credulous out of One Dollar, when the price is Twenty-five Cents, for the genuine, full and complete Work.

Copies of this work will be sent in a close envelope single letter postage to any part of the United States, for twenty-five cents sent, post paid, to Dr. R. G. Geisner, Box 2456, office 128½ Liberty Street, N. Y.

RETORT EXTRAORDINARY!

THE public will of course attribute the feeling with which S. P. Townsend, the self-styled "Doctor," in his "Caution Extra" speaks of Dr. Guysotts Celebrated Extract of Yellow Dock and Sarsaparilla, to the great reputation and rapidly increasing sales of this excellent medicine; and the falling off in the sale of his worthless stuff, for it is "the bit bird that flutters!"

We are daily receiving from our Agents in every direction similar to the following, which will explain the increasing unpopularity of the "Doctors" so called sarsaparilla:

[From our Agent at Seneca Falls, Oct, 24.]

"I am getting out of patience with Townsend's. It *sours* and we have a frequent *blow up*, to the great beauty of surrounding objects! Nothing of the kind occurs with yours; and besides its medical properties are in my opinion, immeasurably superior."

[From our Agent at Ithaca Oct. 12.]

"Your Yellow Dock & Sarsaparilla has superseded Townsends Sarsaparilla in most cases, and I am now selling of it three to one. Much of Townsends *sours* and becomes no better than *very poor molasses flavored with vinegar.*"

It is quite natural that the "Doctor" should regret the great falling off in his sales, but it is certainly unwise for him to become, like his "medicine" *sour* and disposed to a "blow up!" as he seems to be in his "Caution Extra."

The genuine Dr. Guysotts Compound, is a scientific preparation, containing in addition to Sarsaparilla, Yellow Dock, one of the powerful substances known; besides other valuable vegetable ingredients, AND WILL NOT SOUR. See Advertisement.

GERMAN PRACTICE OF MEDICINE.

DOCT. BELL would respectfully say to the inhabitants of Bradford County, that he will be at Hammonds Hotel in the village of Centreville on the first day of each month, at Tuttles Tavern in Smithfield on the 2d day of each month and at Woodruffs Hotel in Towanda on the third of each month, where he may be consulted in the practice of UROSCOPIA from 9 A. M., until 4 P. M. To those who are unacquainted with this Practice, it may be proper to say that it is the method of arriving at the primary seat of DISEASE, and consequent functional derangements, by an inspection of the *Urine*, which in all cases should be a specimen of that first passed in the morning, and brought in a clean phial. By an inspection of this specimen he is enabled to arrive at once, at a correct Diagnosis, of all chronic and sub-acute diseases, affecting the human system without the necessity and expense of visiting patients, or subjecting them to the fatigues of a long and toilsome journey, and delicacy is also spared the blush which is often occasioned by the necessary enquiries of the visiting Physician.—His medicines are selected from the vegetable Kingdom and are perfectly safe in the varied ages and conditions of life: and long experience has proved their efficiency in curing every variety of the above diseases. Scores of testimonials might be published from those who have been cured by his medicines, whose cases have baffled all other modes of treatment, and had been considered incurable. Let none despair therefore, until they have consulted me.

N. B. The name and age must in every case accompany the specimen, for the purpose of recording, &c. n14 S. T. B.

Miscellaneous.

G. W. Merchant's Celebrated

Which is also a Universal Family Embrocation for Diseases of the Human Flesh.

TIME and experience have fully proved that this UNIVERSAL REMEDY has not got its equal on the list of popular medicines, having been more than 14 years before the public.

Testimony of the most disinterested character of its wonderful effects on the animal economy is almost daily presented to the proprietor.

A young man in the town of Wilson, whose clothes were burnt off of him, was restored (without suffering) by the timely use of the Oil.

Numerous are the unsolicited statements of patients themselves, and others who have used the Oil, of cures which in themselves appear remarkable, that they at all interested in a pecuniary point, they could hardly have been credited.

The following diseases are among many others in the cure of which this Oil has been completely successful and in which others had entirely failed:—

Sprains, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Lameness, Fresh Wounds, Sprains, Bruises, Sand Cracks, Foundered Feet, Scratches, or Grease Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilblains, Chapped hands, Cramp, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c.

CAUTION TO PURCHASERS.

Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor, GEORGE W. MERCHANT, LOCKPORT, N. Y., is blown in the side of the bottle, or in his hand writing over the cork. Don't be persuaded to take any thing else with the promise it is just as good, &c., &c. This is practised by those unprincipled dealers whose conscience will stretch like India Rubber, and who are of a kindred spirit of those in our large cities, whose nefarious practices have so recently been exposed to the action of Congress.

Those who attempt to Counterfeit this article are referred to the law of New York, of May 1845, by which it will be seen that every person meddling in the counterfeits is subject to indictment, imprisonment, and fine.

A person selling out of this state, will be liable to arrest when in the state, and also to be held as a witness against those he bought of or sold for.

All Orders addressed to the proprietor will be responded to.

Get a pamphlet of the Agent and see what wonders are accomplished by the use of this medicine.

Sold by respectable dealers generally in the United States and Canada.
