8 -8 RETORT EXTRAORDINARY!

THE public will of course attribute the feeling with which S. P. Towmend, the self-styled " Doctor," in his "Caution Extra" speaks of Dr. Guyants Cele-brated Extract of Yellow Duck and Sarsaparilla, to the great reputation and rapidly increasing sales of this excellent medicine, and the falling off in the sale of his worthless stuff, for it is " the hit bird that flutters!" We are daily receiving from our Agents in every direction similar to the following, which will explain

the increasing unpopularity of the " Doctors" so called [Frem our Agent at Seneca Palls, Oct. 24

"I am getting out of patience with Townsend's. It sours and we have a frequent More sp, to the great beauty of surrounding objects! Nothing of the kind occurs with yours; and besides its medical properties are in my opinion, immeasurably superior. [From our Agent at Ithaca Oct. 12.]

"Your Yellow Dock & Seresperille has superseden

Townsends Sarsaparilla in most cases, and I am now selling of it three to one. Much of Townsends sours and becomes no better than very poor molesses flavored with vinegar." It is quite natural that the "Doctor" should course

the great falling off in his calcu, but his certainly unwise for him to become, like his "modicine" over and disposed to a "blow up!" as he seems to be in his "Caution Extra."

The genuine Dr. Guysetts Compound, is a scentific preparation, containing in addition to Bersspanile, Yellow Dock, one of the powerful substances known; herides other valuable meantable instantants. All P.
