TER, No. 1, Brick Row. by 🚍 **Clickner's Vegetable Purgative Pills**

A RE the first and only medicine ever discovered that will positively cure Headache, Giddiness; Piles, Despensia Sentry Smallnuy, Joundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds Female Complaints, Measles, Salt Rheum, H-art Burn, Worms, Cholers, Mortus, Coughs, Quinsy, Whonping cough, Consumption, Fits, Liver Complaint, Frysipelas, Desfnees, Itchings of the Skin, Colds, Nerveu Complaints, and a variety of other Diseases arising from im purities of Indigention

It has been proved that nearly every disease to which the human frame is subject, ariginates from impurities of the Blood or Derangements of the Digastive Organs; and to secure Health, we must remove those obstruction or restore the blood to its natural state. This fact to universally known, but people have such an aversing n medicine, that, unless the case is urgent, they prefe the disease to the cure, until an impaired Conar a fit of eickness rebukes them for the folly of their con duct. Still they had some excuse, for hereinfure, med icine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most e fectually removed : for Clickener's Veretable Purraties Pills, being completely enveloped with A COATING OF PURK WHITE SUGAR (which is distinct from the kernel) have no taste of medicine, but are se easily swallowed as bits of candy. Moreover they do not nauseale or gripe in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally on all the diseased parts of the system, natead of confining themselves to, and racking any par ticular region. (which is the great and admitted evil of every other purgative.) Hence, they strike at the root

of Disease, remove all impure humors from the blood, open the pores esternally and internally, promote the nonsitils Perspiration, abviate futulency, Headache, te-separate all foreign and obnoxious particles from chyle, so that the blood, of which it is the wigin, mus be thoroughly pure-serure a fire and healthy action to the Heart, Lungs and Liver, and thereby rostore bealth even when all other means have faited.

Very touly yours, ANTHONY BEEKMAN. THE GREATEST FEMALE MEDICINE NOW KNOWN.

The mild alterative properties of Dr. Gaynott's ex-tract of Yellow Dock and Barsaparilla, render it pecufiarly applicable to the slender and delicate constitution of the female. We cannot, of course, exhibit certificates to any extent in this class of complaints, but the two following extracts of letters recently received, indicate sufficien ly the great virtue of the medicine as a remedy for the nes refered to. NEWARK, Jan. 25th, 1848.

RETORT EXTRAORDINARY! PHE public will of course attribute the feeling with L which S. P. Townsend, the self-styled " Doctor," in his "Caution Extra" speaks of Dr. Guysotts Cele-brated Extract of Yellow Dock and Sarseparilla, to the great reputation and, rapidly increasing sales of the excellent medicine, and the falling off in the sale of his worthless stuff, for it is " the hit bird that flutters!" We are daily receiving from our Agents in every direction similar to the following, which will explain the increasing unpopularity of the "Doctors" so called sarsaparilla :

[From our Agent at Seneca Falls, Octa 211 "I am getting out of patience with Townsend's. It ours and we have a frequent, blow up, to the great beauty of surrounding objects !! Nothing of the kind occurs with yours ; and besides its medical properties are in my opinion, immeasurably superior." [From our Agent at Ithacs Oct. 12.]

"Your Yellow Dock & Sarsaparifla has superseded Townsends Sarseparills in most cases, and I am nos selling of it three to one. Much of Townsends murs and becomes no better than very poor molusies flavored with vincoar."

It is quite natural that the "Doctor" should regret the great falling off in his safes, but it is certainly un-wise for him to become, like his " medicine" sour and disposed to a "blow up !" as he seems to be in his Caution Extra."

The genuine Dr. Guysotta Compound, is a scientific preparation; containing in addition to Sarsaparille, Yellow Dock, one of the powerful substances known; besides other valuable vegetable ingredients, AND WILL NOT SOUR. See Advertisement.
