It has been proved that nearly every disease to which the human frame is subject, originates from impuritie of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstruction or restore the blood to, its natural state. This fact is miverally known, but people have such an aversio medicine, that, unless the case is urgent, they prefe he disease to the cure, until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for herelofare, med icine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most e feetually removed; for Clickener's Vegetable Purgutive Pills, being completely enveloped with a COATING OF PURE WHITE SUGAR (which is distinct from the kernel) have no taste of medicine, but are as easily swallowed as hits of candy. Moreover they do not nauscate or gripe in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally oncall the diseased parts of the system, ustead of confining themselves to, and racking any particular region. (which is the great and admitted cvil of every other pursative.) Hence, they strike at the root of Disease, remove all impure humors from the blood, open the pores externally and internally, promote the nsensible Pempiration, Svinte flatuleucy, Headache, &c.—separate all forcian and obnoxious particles fro rhyle, so that the blood, of which it is the sign, must he thoroughly pure-secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health even when all other means have failed.

HEMORRHOIDS OR PILES INTERNAL AND EXTERNAL PERNANENTLY CURED By Dr. Upham's Vegetable Electuary A.N. INTERNAL REMEDY, which, if used to A. cording to directions a cure for life is guaranteed.

A common consequence of this affection is a kind o senesmus, or bearing down sensation, as it is familiarly called; there is also heat, 'ension and throbling in the part, varying from a moderate degree of these sens. part, varying most excruciating suffering:—these are caused by the great flow of blood to the parts. Some times the inner coat of the bowel protrudes at every evacuation, forming what is called Prolapsus or falling of the bowels; this is the effect of long continued irin ation and weakness of that organ. In some instance the patient experiences nervous pains, which are indiscribile, and known only to the sufferer, which comnence immediately after an evacuation, and continue from thirty minutes to several hours; these sensation are yery annoving and sometimes very distressing. Thing disease, when of long continuance, is attended by pain; and weakness in the back, irritation of the kidnevs and bladder, and other organs in the vicinity, pair and numbness in the legs and feet, a sense of straight. ness about the chest, and unnatural fullness of the ablominal viscera, accompanied with palpitation of the heart and oppression, individuals sometimes experience previous to an attack of the Piles, symptons denoting great derangement in the circulation; there is a sense of weight and pressure in the abdomen, with a peculiar feeling of uneasiness in the bowels, constinut ringeum, attended with pain in the back and loins, nau. sea, and slight pains in the stomach, pale countenance confused sentations in the head, weariness, and irrita-ble and discontented state of the mind, and a sense of fullness and oppression in the region of the stomach. The circulation on the surface is feeble, and the current of blood determined inward and downwards. For air

But about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine. took his advice and rojoice that I am not only relieved. but, as I believe, perfectly cured. ELY MOORE. REMARKABLE CURE OF PILES!! THIRTY YEARS STANDING!

MOUNT WASHINGTON, MOUNT WASHINGTON,
Berkshire Co. (Mass.) Nov. 29, 1847.
MESURS. WYATT & KETCHAM—Gents: For thirty
years I have been afflicted with piles, general debility and inflamation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. given up by my phisicians and friends in despair of ener gaining my health; in fact for three days before I was entirely speechless and my burial clothes were made. But under Providence, and the use of Dr. Up ham's Electuary, though an OLD MAN. I have the please ure of stating the FACT to the public that my health is now goo', and hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all that knew my case, and I only say to others that it is, in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure in every case. Yours, with the utmost expression of thankfullness

RETORT EXTRAORDINARY! THE public will of course attribute the feeling with which S. P. Townsend, the self-style " Doctor." in his "Caution Extra" speaks of Dr. Gursotts Celebrated Extract of Yellow Dock and Sarsaparilla, to the great reputation and rapidly increasing sales of the excellent medicine, and the falling off in the sale of his worthless stuff, for it is " the hit bird that flutters!" We are daily receiving from our Agents in every direction similar to the following, which will explain the increasing unpopularity of the "Doctors" so called sarsaparilla :

[From our Agent at Seneca Falls, Oct, 24] "I am getting out of patience with Townsend's. It sours and we have a frequent blow up, to the great beauty of surrounding objects! Nothing of the kird occurs with yours; and besides its medical properties are in my opinion, immeasurably superior. [From our Agent at Ithaca Oct. 12.]
"Your Yellow Dock & Sarsaparilla has superseded

Townsends Sarsaparilla in most cases, and I am now selling of it three to one. Much of Townsends sours which the said Company of Fitch & Ballard includes and becomes no better than very poor molasses flavored with vinegar,". It is quite natural that the "Doctor" should regret the great falling off in his sales, but it is certainly unwise for him to become, like his "medicine" sour and

lisposed to a "hillow up!" as he seems to be in his Caution Extra." The genuine Dr. Guysotts Compound, is a scientific preparation, containing in addition to Sarsaparilla, Yellow Dock, one of the powerful substances known; besides other valuable vegetable ingredients, AND WILL NOT SOUR. See Advertisement.
