OLD DRUG STORE,

No. 1, Brick Row,

CONTINUED BY DOCTORS HUSTON & PORTER.

THIS large, extensive, and miscellaneous stock, more complete than any found in this section of country, every article having been selected with great care by Doctor Porter in person, will now be offered to the public—as cheap as can be purchased elsewhere.

Physicians, who cannot come and examine our stock can depend upon all articles they wish to send for.

In addition to the assortment of Drugs and Medicines the stock extends to *Dye Stuffs, Family Groceries, Liquors of all kinds, Perfumery, Fancy Goods, Miscellaneous articles, Patent Medicines, &c. &c.*

Having been appointed agent for most all the *genuine Popular Patent Medicines*, we assure the public we will not offer any that are counterfeit, as we will not buy or accept an agency from those speculators, who, by base imitations impose upon the country with their spurious Drugs.

On account of the great importance to the public and character of Physicians, that pure unadulterated medicines should be administered, it will, we hope, induce all —Physicians or not Physicians—to make their purchases at No. 1. Brick Row.

The oven will be found to bake with great uniformity in all its parts. Over 100 of these stoves have been sold within the last three months, and given entire satisfaction.

Persons wishing to purchase these stoves, can have the privilege of returning them in two or three weeks, if they do not work as recommended in every respect. MARRIAGE, &c.

A NEW BOOK BY DR. WM. YOUNG.

Second edition, just published; price 25 cts.

THE ÆGIS OF LIFE:

A Treatise on Affection. Love and Marriage, and the Diseases of Youth, Maturity and Old Age or the Lights and Shades of Married Life, (its infelicities and enjoyments.)

"To be or not to be, that is the question."

(With curious cases, illustrations, &c.)

There are more things 'twixt heaven and earth, Horatio Than are dreamt of in our philosophy.'—SHAKESPEARE.

This book should be in the hands of every young man or woman contemplating MARRIAGE. Every school-boy, and indeed every man or woman, married or single should read with care and attention, this truly useful work as we consider it well adapted to awaken attention to a subject more blighting to body, mind and soul, than any other vice.

Young or midde aged persons, suffering from Dyspeptic and Consumptive symptoms of long standing, by a careful perusal of this most wonderful work, will find the cause of such symptoms in the baneful habit here described.

☞ Any one sending twenty-five cents enclosed in a letter, will receive one copy of this book by mail, or five copies will be sent for one dollar.

☞ All letters are expected to be POST PAID, except those containing a remittance, and addressed,

"DR. WM. YOUNG, 152 SPRUCE Street, between Fourth and Fifth, PHILADELPHIA." 6m34

PHILADELPHIA MEDICAL HOUSE.—Established 15 years ago, by DR. KINKELIN. The oldest, surest and best hand to cure all forms of secret disease, of the skin, and solitary habits of youth, is DR. KINKELIN, Northwest corner of THIRD and UNION Streets, between Spruce and Pine, a square-and-a-half from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.

There is a habit which boys teach eachother the Academy or College.—a habits indulged in when by himself, in solitude, growing up with the boy to manhood; few of those who indulge in this pernicious practice are aware of the consequences, untill those find the nervous system shattered, feel strange and unaccountable feelings, vague fears in the mind. The individual becomes feeble, he is unable to labor with accustomed vigor or to apply his mind to study; his step is tardy and weak, he is dull, irresolute.

IF THE SOLITARY VICE.

Is continued, the procreative power is destroyed, and marriage rendered impossible, a long train of nervous affections follow, the countenance is downcast, the eyes without natural lustre, shamefacedness is apparent.—THESE ARE SYMPTOMS WHICH SHOULD AWAKEN the attention of those similarly afflicted.

IF THE VICTIM

Be conscious of the cause of his decay, and quit it, he suffers under those terrible nocturnal and involuntary emissions, which waken and shame him producing mental and physical prostration. If he emancipates himself before the practice has done its worst, and enters matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies.

YOUNG MEN!

Let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Thousands have been restored to health from the devastations of these terrific maladies, by Dr. Kinkelin, German Physician.

Packages of Medicines, Advices, &c., forwarded, by sending a remittance, and put up secure from damage or curiosity.

Post paid letters answered forthwith. 6m34

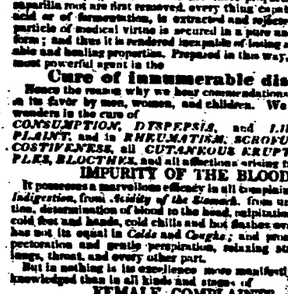
CAUTION EXTRA.

A man by the name of C. F. UPP has entered into a young man of the name of S. P. Townsend, and thinks to pass off his counterfeit, which many call the "Genuine Sarsaparilla, manufacturing it *GENUINE*, Original sin. This is meant to be distinct, and never was; but to be distinctly understood, and remembered, sizable, and this time, that he is counterfeiter of Dr. for the purpose of gaining credit for what he is not. This is becoming that public are to be deceived, and purchase none but the *GENUINE ORIGINAL OLD DR.* Jacob Townsend's Sarsaparilla, having on it the Old Dr's likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 Nassau st., New York City.



OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR and DISCOVERER of the GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sale circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind, when the means could be furnished to bring it into universal notice, when its inestimable virtues would be known and appreciated. This time has come, the means are supplied; the

GRAND AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for through out the length and breadth of the land, especially as it is found incapable of deterioration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes but for the better; because it is prepared on *scientific principles* by a *scientific man.* The highest knowledge of Chemistry, and the latest discoveries of the art, has all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparation for use, produce *fermentation* and *acid*, which is injurious to the system. Some of the properties of Sarsaparilla are so *volatile*, that they quickly evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to those experienced in its manufacture. Moreover these *volatile principles*, which fly off in vapor, or are driven off in heat, under usual, are the very essential medical *properties* of the root, which give to it all its value.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter in the root than from any thing else; they can then strain this liquid or vapid liquid, evaporate with more moisture, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted and rejected: then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT*, and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and bad flashes over the body. It has not its equal in *Colds and Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Minor Abuse or Whites, Falling of the Womb, Obstructed, Suppressed, or Painful Menses, Irregularity* of the menstrual periods, and the like; and is an effectual in curing all the forms of *Kidney Diseases.*

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Seeming, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach and gives good digestion, relieves the bowels of torpor and constipation, clears inflammations, purifies the skin, equalizes the circulation of the blood, producing pure warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness; removes all obstructions, and invigorates the entire nervous system. In a word this

The medicine you pre-eminently need!

But can any of these things be said of S. P. Townsend's imitator article? This poison man's liquid is said to be

COMPARED WITH THE OLD DR'S,

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES; *souring, fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding, and damaging other goods: Must not this horrible compound be poisonous to the system?—*What! put acid into a system already diseased with acid!* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs, what mischief it produces? flatulence, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humour in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments to which afflict human nature.

Now is it not horrible to make and sell, and deliberately mean to use the

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation?

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article*, and which should bring down upon the Old Dr. such a inundation of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the
