DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

The most extraordinary Medicine in the World!

This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debility, being the Purest.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it weakens the disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power unknown to the other medicines. And herein lies the grand Secret of its wonderful success. It has performed within the last ten years more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children the past two seasons in the City of New York alone.

40,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their manly power or by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, inability, want of ambition, fainting sensations, premature decay and decline tending towards that fatal disease Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial.

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree.

Consumption Cured.

Diseases and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Spitting Blood.

New York, April 28, 1847.

DR. TOWNSEND.—I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It continues worse and worse. At last I raised large quantities of Blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change wrought in me. I am now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant,

WM. RUSSELL, 63 Catharine st.

Rheumatism.

This only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism: considerable of the time I could not sit, sleep or walk. I had the most distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than a thousand dollars worth of good. I am so much better—indeed I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

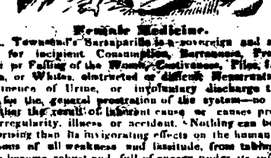
Yours respectfully, JAMES CUMMINGS.

Fever and Ague.

Dr Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of hundreds that we have received from the South and West of like character.

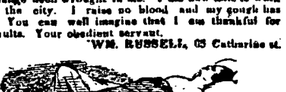
Oswego, Mich., Oct 23 1847.

Dr. Townsend: Dear Sir—I purchased for my wife two bottles of Sarsaparilla of your Agent, Mr McNair, of Kalamazoo, to try it for the Fever and Ague. Before I had finished the first bottle, it appeared to warm the blood, and every other day when the Chills and the Fever appeared they were less violent; and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the Ague. A lady that had been very sick with the Chills and Fever, but had broke them with Quinine, and was left in a very weak and distressing state, and troubled exceedingly with the Ague Cake, seeing the effect it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete health. Your Sarsaparilla is without doubt unequalled in disease accident to the West and if you think that the consequence will be of use, you are at liberty to use it if you choose.



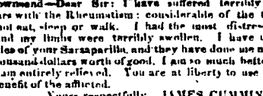
Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Prolapsus or Falling of the Womb, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Females of all weakness and lassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to publish certificates of cures performed; but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring. It has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period *may be delayed for several years by using this medicine.* Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which Women are subject.



Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food those who have used it think it indispensable. It is highly useful both before and after confinement, as it prevents the disease attendant upon childbirth. The Costiveness, Piles, Cramps, Swelling of the Feet, Drowsiness, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully.



Scrofula Cured.

This certificate unanswerably proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

Dr. Townsend: Dear Sir—I take pleasure in informing you that your Sarsaparilla has cured three children of the Scrofula. It has left them in a healthy condition. They were afflicted very severely with bad sores, boils, &c. four bottles of it took them away, for which I feel myself under great obligation.

Yours, respectfully, MARCUS GREEN, 106 Wooster st

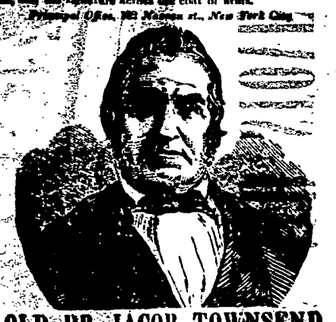
CAUTION EXTRA.

A man by the name of *CLAPP* has counterfeited the name of the late Dr. S. P. Townsend, and sent his name to the public, which they call Dr. Townsend's Sarsaparilla, advertised it as *EQUINE*, Original, etc. This Townsend is an old man, and has been for years; but was formerly a merchant and knows nothing about the like. Yet he assumes the title of Dr. for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase this, and that *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Doctor's likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 100 Nassau st., New York City.



OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it was been kept out of market, and the skin circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science and experience, devised an article which would be of inestimable advantage to mankind when the means would be furnished to bring it into universal notice, when its unquestionable virtues would be known and appreciated. This time has come, the means are supplied: this

ORIGINAL AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for through out the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike trying S. P Townsend's, it improves with age, and never changes, but for the better; because it is prepared on *scientific principles* by a *scientific man*. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if united in preparing it for use, produce *fermentation* and *acid*, which is injurious to the system. Some of the properties of Sarsaparilla are so *volatile*, that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to those experienced in its manufacture. Moreover these *volatile principles* are such fly stuff as vapor, or an exhilirating, gaseous heat, are the very *essential medical properties* of the root, which give to it all its value.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter in the root than from any thing else; they can then strain this insipid or vapid liquid, sweeten with sugar molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT*, and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *indigestion, from Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds* and *Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Fluor Albus or Whites, Falling of the Womb, Obstructed, Suppressed, or Painful Menses, Irregularity* of the menstrual periods, and the like; and is an effectual in curing all the forms of *Kidney Diseases.*

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Spooning, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of costiveness and constipation, allays inflammation, purifies the skin, equalizes the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. In a word this then

The medicine you pre-eminently need!

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S,

because of the GRAND FACT, that the one is INCAPABLE of DETERIORATION, and the other

NEVER SPOILS,

while the other DOES; *souring, fermenting*, and *blowing the bottles* containing it into fragments; the contents, acid liquid corroding, and damaging other goods: Must not this horrible compound be poisonous to the system? *What! put acid into a system already diseased with acid?* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomachs, what mischief it produces? flatulence, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentery, colic, and *corruption of the blood?* What is scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the skin, Old Sores, Ulcers, Rheum, Erysipelas, White Swellings, Fever Sores, and all affections internal and external? It is nothing under heaven but an acid substance, which sours, and this spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints or elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of insanity of the blood, of deranged circulations, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!* and which should bring down upon the Old Dr. such a mountain load of complaints and examinations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *known-wide apart, and infinitely dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no *doctor*, and never was, is no chemist, no pharmacutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of change which might render them the AGENTS of Disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease! It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who manufacture medicine, designed for

WEAK STOMACHS AND ENFEEBLED SYSTEMS,

should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases! It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, to restore health and vigor into the crushed and broken, and to banish infirmity, that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all! And it is that they may have such knowledge, is proof unquestionable, in

Transcendent Rewards of Health

Dr. Jacob Townsend, New York, Dec. 8, 1846.

Dear Sir: On the 5th of July, 1847, I was again attacked with the vomiting, and continued under the same painful symptoms, worse for at least two months. I became entirely helpless, incapable of *feeding myself*, of turning in bed, or helping myself any way. In this state I remained until January, 1846, when I began to amend a little, and improve gradually until the 1st May. This amendment was only so far as to be able to *feed myself*, though still incapable of getting in or out of bed, or even turning myself. I continued in this condition, with little or no change, until I fairly despaired of getting above again this summer. On the 15th July, I was induced to try your Sarsaparilla, on the 30th, three days after taking the first bottle, I *threw up a pint*, which I had not done before in six months, and in two days a week I

WALKED ACROSS THE ROOM

with the aid of crutches, about three times in the street: have gone as the train 20 Eagle street to the Park; down to Lowery's Hotel and back. I have been to 65 Nassau-street two different times, and am now frequently visiting my brothers. During all this time, I have taken but *two bottles* of Old Dr. Townsend's Sarsaparilla. Oct. 6. I procured another bottle (6th Oct.) and continued twice across the floor without the aid of crutches. I have also ceased vomiting—have obstruction of water, which gave me great distress. The pain in my back has likewise left me. Thus my family have no further reason to ascribe my recovery to any other cause than

OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

Let the thin Brown Cough!

Take Heed—for in danger, the work of destruction has been begun. The cough of Consumption has put a sound of death.

Any one a Mother! Your darling child, your idol and, partially lost, is now perhaps confined to her chamber by a dangerous Cold—her pale cheeks, her thin shrunken fingers, tell the fatal disease, has already gained upon her—the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sheds a heart-crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair.—There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. Attree, the wife of Wm. H. Attree, Esq. was given up by Dr. Sewall of Washington, Dr. Roe and McClellan of Philadelphia, Drs. Roe and Mott of New York. Her friends all thought she must die! She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrabrantz, of Bull's Ferry was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under consumption, and to another sorely afflicted with the asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lucretia Wells, 95 Christie st., suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the timely remedy for Coughs, Colds, Spitting blood, Liver complaints and all affections of the throat, and even Asthma and Consumption.

It is therefore the duty of heads of families to provide and keep on hand, ready for any emergency, a REMEDY that is capable of removing the suffering attendant on those very troublesome companions. Those who have used it

TOUSEY'S UNIVERSAL OINTMENT,

need not be told that it is a complete remedy, a master of pain, and the most speedy remover of *inflammation* ever discovered. The experience of such persons is sufficient to prompt them to keep it always on hand, knowing that many valuable lives have been saved, by this *Magical Conqueror* of inflamed and other sores, burns, scalds, &c. It instantly stops all pain of the severest kind, and prevents scars. No family should be without it, as an immediate application of it in cases of burns or scalds, would do more good while waiting for the doctor than he could do when arrived, besides preventing long hours of the utmost suffering which might pass before a physician could be obtained.

It possesses control over the severest injuries by fire, over mortification, over inflammation, and by its combined virtues it acts as *anti-septic, nervine, anti-spasmodic, anodyne, emollient* and healing, and is the most complete external remedy in use.

Thousands have tried, and thousands praise it. It is working its way into public favor with a rapidity unknown in the history of medicines. *All who use it, recommend it.* Again we say, no family should be without it. The agents furnish the public gratis, with books describing this ointment.

Clickner's Vegetable Purgative Pills,

ARE the first and only medicine ever discovered that will *positively cure* Headache, Giddiness, Piles, Dyspepsia, Scurvy, Smallpox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds Female Complaints, Measles, Salt Rheum, Heart Burn, Worms, Cholera, Morbus, Coughs, Quinsy, Whooping cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Nervous Complaints, and a variety of other Diseases arising from impurities of Indigestion.

It has been proved that nearly every disease to which the human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the blood to its natural state. This fact is universally known, but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for *heretofore*, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for *Clickener's Vegetable Purgative Pills*, being completely enveloped with A COATING OF PURE WHITE SUGAR, (which is distinct from the kernel) have no taste of medicine, but are as easily swallowed as bits of candy. Moreover they do not *nauseate or gripe* in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. (which is the great and admitted evil of every other purgative.) Hence, they *strike at the root of Disease*, remove all impure humors from the blood, open the pores externally and internally, promote the Insensible Perspiration, obviate flatulency, Headache, &c.—separate all foreign and obnoxious particles from chyle, so that the blood, of which it is the origin, must be thoroughly pure—secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health *even when all other means have failed.*

N. B. Remember, Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of, until he introduced them in June, 1843. Purchasers should therefore ask for Clickener's Sugar-Coated Pills, and take no other, or they will be made the victims of a fraud. 5y

Great & Important Chemical Discovery.

Chemical Combination from the Vegetable Kingdom to repel Disease.

Dr. GUYSOTT'S

The Most successful Medicine in the World!

THIS CHEMICAL COMPOUND, containing as it does, Yellow Dock, so highly esteemed by the faculty—with other vegetable productions, is one of the most important discoveries of the age, and far superior to all simple sarsaparilla preparations in use. Although less than two years have elapsed since its discovery, it has already effected over 15,000 cures. The unrivalled power disease which this Syrup produces may be attributed to the fact that it is composed purely of vegetable extracts, each one having a direct reference to some internal organ; consequently the whole system is benefitted; and the fact that, in its operation, it occasions neither sickness nor pain, and can be taken under all circumstances without regard to business or diet, and by the aged and the infant with equal efficacy, is certainly a consideratum in the history of Medicine. This Extract is put up in Quart Bottles, and is the most highly concentrated Syrup in use. It is offered at the low price of one dollar per Bottle, the object of being to give the patient an opportunity by the purchase of one bottle, to test its valuable medical properties and its power over disease.

This compound Extract of Yellow Dock and Sarsaparilla is a positive, speedy, and permanent cure for Consumption, Scrofula or King's Evil, Erysipelas, Salt Rheum, Pimples on the face, Rheumatism, Gout, General Debility, Dyspepsia, Liver Complaints, Spinal Affections, Female Complaints, Ulcers, Syphilis in its worst form, Affections of the Bladder and Kidneys, Bilious Colic and serous Looseness, Biles, Costiveness, Colds, corrupt Humors, Asthma, Dropsy, enlargement of the Bones, Fever and Ague, Giddiness, Gravel, Headaches, of every kind, Impure blood, Jaundice, Loss of Appetite, Leprosy, Mercurial Diseases, Night Sweats, Nervous Complaints of all kinds, Neuralgia, Organic Affections, Palpitation of the Heart, Painter's Colic, Piles, rush of Blood to the Head, Scurvy, Swellings, Sick Headache, Stiffness of the joints, Exposure and Imprudence of Life.

It extracts nervous disease, purifies and enriches the Blood, and invigorates the body more effectually than any medicine hitherto offered to the public.

In the Vegetable Kingdom, an All wise Being has deposited such plants and herbs as are congenial to our constitutions, and adapted to the cure of all curable diseases to which human nature is incident. All this Compound Syrup is composed of all those valuable plants, some of which have lately been discovered and used, and found to be certain specifics in thousands of diseases that before defied the best of medical skill.

OPINIONS OF PHYSICIANS.

DYSPEPSIA, GENERAL DEBILITY, &c.

WATERTOWN, Jefferson Co., Nov. 4, 1847.

Mr. S. F. BENNETT:

Dear Sir—I am at a loss to express with words what has been said in praise of your Compound Extract of Yellow Dock and Sarsaparilla; all who have had the pleasure of using it speak of its marvellous effects in removing diseases, with so much feeling and heartfelt satisfaction, that I am confident now that no medicine in use can boast of its superior qualities. Many who have been complaining for years with pain in the side, burning and pain in the chest, dyspepsia, general debility, loss of appetite, chills, night sweats, salt rheum, scrofula, in fact all the diseases that we in this climate are heir to, find in the Yellow Dock and Sarsaparilla, all that is requisite to make them what they were in their days of health, &c.

We have had twelve dozen bottles in three months, and find we are nearly out. Please send an equal amount, and O: lige yours,

DYSPEPSIA CURED, OF 30 Y'RS STANDING.

ST. JOHNSVILLE, Montgomery Co. Jan. 3, '48

S. F. BENNETT—Dear Sir—Some four weeks since I was induced to try your Yellow Dock and Sarsaparilla for Dyspepsia; had been afflicted about 40 years, most part of the time unable to eat anything without suffering intensely from its effects. I have used now only one bottle of your invaluable medicine, and consider myself entirely cured solely by its use. Can now eat a hearty meal, without the slightest inconvenience.

Very truly yours, ANTHONY BEEKMAN.

THE GREATEST FEMALE MEDICINE NOW KNOWN.

The mild alterative properties of Dr. Guysott's extract of Yellow Dock and Sarsaparilla, render it peculiarly applicable to the slender and delicate constitution of the female. It is unrivalled in its effects upon such diseases as Insipient Consumption, Barrenness, Leucorrhœa or Whites, Irregular Menstruation, Incontinence of Urine, and general Prostration of the system. It immediately counteracts that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they are grateful.

We cannot, of course, exhibit certificates to any extent in this class of complaints, but the two following extracts of letters recently received, indicate sufficiently the great virtue of the medicine as a remedy for the diseases refered to.

NEWARK, Jan. 25th, 1848.

Mr. BENNETT—We take pleasure in stating that your Yellow Dock and Sarsaparilla gives great satisfaction in every case. We shall try and send you some certificates.

A very respectable gentleman informs us that his daughter was troubled with difficult menstruation, and other diseases peculiar to her sex. She had not had her regular menstrual discharges for a long time; but by the use of Dr. Guysott's Yellow Dock and Sarsaparilla, was radically cured. Had used Townsend's and others', without receiving the slightest benefit. He had one daughter die from the same cause. Please send us an additional supply. Very respectfully yours,

J. E. TRIPPE & CO.

CAUTION EXTRAORDINARY.

There are counterfeit medicines afloat; therefore the reader is particularly cautioned not to allow himself to be imposed upon.

Beware how you buy medicine put up in square quart bottles. Be very sure and ask for Dr. Guysott's Compound Extract of Yellow Dock and Sarsaparilla, bearing the written signature of S. F. Bennett, on each outside wrapper, written with black ink; and do not, on any account, be induced to buy any other article—as it is this preparation only that is performing such marvelous and astonishing cures. Take no means word; as persons having the counterfeit medicine and not genuine, are of course desirous of making their profits—consequently you are liable to buy worthless trash, unless you examine for yourselves.
