THE NEW WORLD AIR TIGHT COOKING STOVE,

Decidedly the best stove for Parmer's use; it is distinguished for the liberal size of its oven and fire box. To it is attached a Summer Fixture, upon the boiler holes of which the wash boiler fits, thereby readering it in capacity equal to a six boiler stove. Coals can be transferred from the fire-box directly into the summer fixture, by being drawn forward without the use of the shovel. The top of the oven is protected by an iron plate to prevent an excess of heat upon the articles baking; it can be removed if the heat is readed to be increased. The oven will be found to bake with great uniformity in all its parts. Over 100 of these stoves have been, sold within the last three months, and given entire satisfaction.

Persons wishing to purchase these stoves, can have the privilege of returning then in two or three weeks, if they do not work as recommended in every respect. CUATION TO PURCHASERS.

Beware of COUNTERFEITS, and be sure the name of the Sule Proprietor, GEORGE W. MERCHANT, LOCKPORT, N. Y., is blown in the side of the bot tle, or in his hand writing over the cork. Don't be principled desiers whose conscience will stretch like India R. bber, and who are of a kindled spirit of those in our large cities, whose nefarious practices have to re-cently been exposed to the action of Congress.

Those who attempt to Counterfeit this article are referred to the law of New York, of May 1845, by which it will be seen that every person meddling in these counterfeits is subject to indictment, imprisonment; and

A person selling out of this state, will be liable to arrest when in the state, and also to be held as a with sgainst those he bought of or sold for.

All Orders addressed to the proprietor will be respon nd to,
