

FACTS ARE STRONG THINGS—What has been done can be done again. The science of the facts and Philosophy in surgery start at the assertion that any one remedy can possess within itself the virtue of curing many diseases. Experience of more than twenty years have never the less established the fact that Merchan's celebrated Gargling Oil, or Universal Family Embrocation will cure most cases and relieve all such as rheumatism, painful nervous affections, bites of animals, frost-bites, corns, boils, chilblains, asthma, bronchitis, lumbago, and all other ailments, sprains, ulcers from local causes, raked joints, contractions of the muscles, weakness of the joints, chapped hands, external poisons, wounds, swellings, &c. Also a host of diseases in horses and other animals. See advertisement in this paper. A pamphlet of description may be had gratis of the agent.

**W. A. GIBBS'S OINTMENT.**  
Containing no Mercury or other Mineral.  
IT has power to cause all EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, PUSULOUS WOUNDS, to discharge their putrid matters, and then heal them.  
It is rightly termed A HEALING, for there is scarcely a disease, external or internal, that it will not cure. I have used it for the last sixteen years, for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit when the patient was within reach of mortal means.  
It is highly recommended in the profession—I have had ministers of the gospel, judges of the bench, attorneys, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it in every variety of way, and there has been but one voice—no universal voice—saying  
"My Sister your Ointment is good!"

**Rheumatism.**—It removes almost immediately the inflammation and swelling when the pain ceases. Read the directions around the box.  
**Head Ache.**—The same has cured persons of the head ache of twelve years standing, and who had it regular every week so that vomiting took place.
