It has been proved that nearly every disease to which he human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions restore the blood to its natural state. This fact is universally known, but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for heretofore, medcine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most el fectually removed; for Clickener's Vegetable Purgative Pills, being completely enveloped with a coating or THE WHITE STAIR (which is distinct from the kernel) save no taste of medicine, but are as easily swallowed as hits of candy. Moreover they do not nauscate or gripe in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any parinstead of confining themselves to, and racking any par-ticular region, (which is the great and admitted evil of very other purgative.) Hence, they strike at the roof of Disease, remove all impure humars from the blood, pen the pores externally and internally, promote the sensible Perspiration, obviate flatulency, Headache, &c.—reparate all foreign and obnoxious particles from byle, so that the blood, of which it is the wigin, must he thoroughly pure-secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health eren when all other means have failed.

The Most successful Medicine in the World!

Although less than two years have elapsed since its liscovery, it has already effected over 15,000 cures. The univalled power disease which this Syrup produces may be attributed to the fact that it is compose purely of vegetable extracts, each one having a direct eference to some internal organ; consequently the whole system is benefitted; and the fact that, in its operation, it occasions neither sickness nor pain, and can be taken under all circumstances without regard to business or diet, and by the aged and the infant with equal efficacy, is certainly a consideratum in the history of Medicine. This Extract is put up in Quart Bottles, and is the most highly concentrated Syrup in use. It is offered at the low price of one dollar per Bottle, the object of being to give the patient an opportunity by the purchase of one bottle, to test its valuable medical

properties and its power over disease.

This compound Extract of Yellow Dock and Sarsaparilla is a positive, speedy, and permanent cure for Consumption, Scrofula or King's Evil, Erysipelas, Salt Rheum, Pimples on the face, Rheumatism, Gout, General Debility, Dyspepsia, Liver Complaints, Spinal Affections, Female Complaints, Ulcers, Syphila in its worst form, Affections of the Bladder and Kidneys, Bilious Colic and serous Looseness, Biles, Contiveness Colds, corrupt Humors, Asthma, Dropsy, enlargement of the Bones, Pever and Ague, Giddiness, Gravel. THE GREATEST FEMALE MEDICINE NOW

KNOWN. The mild alterative properties of Dr. Guysott's extract of Yellow Dock and Sarssparilla, render it pecufiarly applicable to the stender and delicate constitution of the female. It is unrivalled in its effects upon such diseases as Insipient Consumption, Barrenness, Leucorrhoea or Whites, Irregular Menstruation, Incontinence of Utine, and general Prostration of the system. It immediately counteracts that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they are grateful.

We cannot, of course, exhibit certificates to any extent in this class of complaints, but the two followin extracts of letters recently received, indicate sufficienty the great virtue of the medicine as a remedy for the acases refered to.
