e ament shall soon be established. It is the fashion with Painters, Poets and even Therefore the give to woman a prominent place as There make a first to thousand a prominent place as a proscupile offender in their representations of the a principle of disobedience and its punishment by orginal act of the occioned and its punishment by expulsion from Paradise. But this is of a characexpused none the treatment which she has receved at the hands of her natural protectors. Whater at the many be imputed to her for wandering bolding converse with a stranger and offering to for his band a share of the fruit she had gathered she is not justly chargeable with the sin of knowingthe remaining the command of God. She was not present, nor was she even created when the command was delivered to Adam, nor is there any mand was or inverse to restrict the restrict that it was either addressed to her, or correctly communicated to her by the person on som she would naturally look for information On the contrary the command was addressed to Adart, the summons to answer for its violation was also convicted of the crime of disobedienceand following the justice of the judgment, against lam alone issued the great fitt, commanding his expulsion from Paradise. That she participated in his sufferings was in part but the necessary result of her connexion as a wife her husband's fortune. But I grow tedous. When the rights of woman are spoken of we are apt to think of the virtues of our mothers in Heaven and the charms of our wives and sisters and daughters on earth-of the piety of these who buggered longest at the Cross, and were the earliest at the Sepulchre; and of wisdom of all

Diseases of the Human Flesh. TIME and experience have fully proved that that this UNIVERSAL REMEDY has not not its equal

on the list of popular medicines, having been more than
14 years before the public.
Testimony of the most disinterested character of its wonderful effects on the animal economy is almost daily presented to the proprietor.

A young man in the town of Wilson, whose clothes were burnt off of him, was restored (without suffering)

by the timely use of the Oil.

Numerous are the unsolicited statements of patients themselves, and others who have used the Oil, of cures which in themsalves appear remarkable, that they at all interested in a pecuniary point, they could hardly

have been credited.

The following diseases are among many others in the cure of which this Oil has been completely successful and in which others had entirely failed:and in which others had entirely lailed:

Spayins, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Lameness,
Fresh Wounds, Sprains, Bruises, Sand Cracks,
Foundered Feet, Scratches, or Grease Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilblains, Chaped hands, Cramp, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c.

CAUTION TO PURCHASERS. Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor, GEORGE W. MERCHANT, persuaded to take any thing else with the promise it is just as goed, &c., &c. This is practised by those unprincipled dealers whose conscience will stretch like India R. bber, and who are of a kindred spirit of those
