DR. TOWNSEND'S SARSAPARILLA.

The mest extraordinary Medicine in the World! extract is put up in Quart Bottles, it is six tim before, pleasurer, and secretaries experies to any said. It cares without ventiling, yarging, sicknesses or debili-tating the Patient.

great beauty and superiority of this Sarespardits il other usedicings is, that while it eradicates the it invigorates the bedy. If is one of the very best SPRING AND SUMMER MEDICINES SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and
strongthens the person, but it creates new, pure and rich
blend; a power passessed by no other medicine. And
ht this lies the grand secret of its wenderful success. It
has performed within the last two years meet than 100,000
even of hevers cases of disease; at least 15,000 were
unsidered incurable. It has saved the lives of more than
10,000 children the past two seasons in the City of New
York alone.

York alone.

10,000 cases of General Debility and want of Nervone Energy.

Dr. Townsend's Saresparilla invigorates the whole system payments. To those who have lost their amendar source gy by the effects of medicine or indiscretion committed in youth or the excessive indulgence of the passions, and thought on by physical prostration of the servous system, fashind, want of ambition, fainting sensations, premisters decay and decline hantening towards that fatal disease Consumption, can be entirely restored by this pleasant remedy. This Saresparilla is far superior to any Envigoranting Cordini.

As it renews and invigoration Cordint.

As it renews and invigorates the system, gives activity to the instance of the system in a section of the system in

tic Asviam, Blackwell's Island, is the gentleman spoken of the following letter.

Blockwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for since years with the Rheumatian: considerable of the time I could not eat, sleep or walk. I had the most distressing pains, and my limbs were terribly swellen. I have used four bottles of your Sarisparilla, and they have done me more thus a themsand dellars worth of rood, I say so much betterminded I am entirely relieved. You are at liberty to use this for the beautif of the efficied.

Yours mad Ague.

Dr Townseul's Sarsaparille is usequelled in cases of the Chille and Paver and Ages. The following letter is only me of hundreds that we have received from the South and

Ghills and Paver and Area. The following letter is only one of hundreds that we have received from the South and West of like character.

Dir. Townsend: Dear Sir—I purchased for my wife two bottles of Sarsaparilla of your Agent. Mr. McNair. of Kalamanco, to try it for the Fever and Agus. Before I and finishessit the first bottle, it appeared to warm the blood, and every saking day when the Chills and the Fever appeared, they were less reident; and hofors she had he'd better than she had been before she took the Agus. A lady that had been yery sick with the Chills and Fever, but had broke them with Quisine, and was left in a very weak and distressing state, and troubled exceedingly with the Agus Cake, seeing the effect it had on my wife, she sent and procured a few bottles, and it restored her in a few weeks to complete health. Your Sarsaparilla is without doubt, unequalled in diverse time will be of use, you are at liberty to see it if you choose.

Formule Medicine.

B. Townsend's Saraparille is a severeign and spendy gave foy incipional Consumption, Earrenuese, Freiapans Useri or Falling of the Womb, Contivensee, Frien, Lancor rhon, or Whitea, obstructed or difficult Menatrustice, in centinence of Urine, or involuntary discharge thereof, and for the general preservation of the system—see matter whether the result of inherent cause, or causes produced by irrogularity. Illness or accident. Nothing can be more subprishing than its inviporating effects on the human frame. Fersons of all wankness and lamiteds, from taking it at once become robust and full of energy ander its influence. It formicalisticly counteracts the nervelessness of the female frame, which is the great cause of the chicate a nature, as enhibit cartification of cures performed, but we can assure the afflicted, that knudreds of cases have been repeated to see. Thousands of cases where families have been without children, after using a few toottles of this invaluable mediciae, have been blessed with fan, healthy offspring. It has been approaching that critical period, "The turn of high should neglect to take it, so it is a certain praventive for any of the numerous and horrible dismace to which families are subject at this time of life. This pariod may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching vontanbood, as it is calculated to assist unture by quickesing the hunder of invaluable for all the delicate diseases to which womes are subject.

Trees to a subject.

Trees to the safest and most effectual modicine for perifying the arginization and relieving the safest and most effectual modicine for perifying the arginization and relieving the safest arguments but the mother and child, prevents pain and disease, increases and enriches the fiscal than the safest and after confinement, as it prevents diseases attendant upon childbirth. In Continense, Flee, Crampa, Swelling of the Fest, Depondency, Hearthern, Voniton, False in the Back and Loins, False Pains, Hemerriage, and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always onfe, and the most delicate use it most encountielly.

Scrofula Curred.
This curificate conclusively preven that this Barasparilians perfect control over the most obstincts diseases of in Rines. Three persons cared in see bosse is approxi-

denied.

Three Children.

Br. Townsend: Dear Sir.—I have the pleasure to inform you that these of my children have been cured of the Scribits by the use of your ancellest medicise. They were affected very assertly with had seren, have taken four better; it took them away, for which I feel myself, under great childrenies.

OLD DR. JACOB TOWNSEND. THE ORIGINAL DISCOVERER OF THE

Genuino Townsend Sarsaparilla.

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of uge, and has thing been known as the AUTHOR and DISCOVERER of the GENUINE, ORIGINAL. "TOWNSEND SARSAPARILLA." Being pour, he was conneciled to limit its manufacture, by which means it had been kept out of merket, and the sakes eit cumeribed to those only who had preved its worth, and known its value. It had reached the ears of many, nevertheless, as those privous who had been hasled of sore diseases, and saved from death, printidised its scretience and wonderful

HEALING POWER.

Knowing, meny years ago, that he had, by his skill, acknown and experience, derised-an-arriele; which would be achieved his bring it into universal abdice, when in inestimable virtues would be known and appreciated. This jime has come, the means would be furnished to bring it into universal abdice, when in inestimable virtues would be known and appreciated.

GRAND AND THEQUELIAND PREPARATION meansufactured-on the largest scale, and is called for throughout the length and inspatch of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. ? Townsend's, it improves with age, and sever changes, but for the botter; became it is prepared on escartife principles by a scentific men. The highest knowledge of Chemistry, and they inspatch properties of the art, have all been arough! no report of the resultant many medicinal properties, and sores properties which are inert or useless, and others, which if retained in properties to the systems. Some of the properties of slamaparilla men, commanism many medicinal properties, and sores properties which are inert or useless, and others, which if retained in properties to the systems. Some of the properties of slamaparilla is for me, produced forementation and scale, which he had now which sive to it all its virue.

Any person can boll or stew the root fill they get a dark coloud legicle, which is more from the coloridar marker in the woot than

tion, under heat, are the very service.

Any person can boil or stew the root fill they get a dark colored liquid, which is more from the coloring matter in the root than from any thing eise; they can then agrain this instite or vapid liquid, sweeten with sour moinsaws, and then call it "5AR BAPARILLA EXTRACT or SYRUP." But such is not the

article known as the GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sar saparilla mot are first removed, every thing capable of becoming acid or of fermentation, is extracted and rejected: these every particle of medical virtue is secured in a pure and concentrated form; and thus it is readered incapable of loning any of its value and senting properties. Fragment in this way, it is made the most powerful agent in the 2.

able and heating properties. Frequency in the way, it is made the most powerful agent in the by

Cure of innumerable diseases.

Hence the reason why we hear commendations on every side in its fave by men, woment, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPESIA, and LIVER COMPLIANT, and in RHEUMATISM, SCROFULA, PILER, COSTIVENESS, all CUTIANEOUS ERUPTICAS, PLESPILS, ELOCTHESS, and all affectings siving from the MPURITY OF THE BLOOD.

It possesses a marvellous efficacy is all complaints arising from Indigenties, drown for the bed, papitation of the heart, coid feet and hands, cold child and hot finishes over the body. It has not its equal in Colds and Coughs; and promotes may expectoration and gentle perspiration, relating stricture of the lungs, throat and every other part.

But in nothing is its excellence more manifestly seen and see knowledged than in all kinds and stages of FEMALE COMPLAINTS.

It works wonders in cases of Floor Albus of Whites, Palling of

FEMALE COMPLAINTS.

It works wonders in cases of Fluor Albas or Whites, Palling of the Wonb, Obstructed, Suppressed, or Painf al Meases, bringularity of the menstrual periods, and the like; and is an effectual in curing all the forms of Kidasy Diseases.

By removing obstructions, and regulating the general system, it gives tone and attength to the whole body, and thus cures all forms of

All forms of Nervous diseases and debility, and thus prevents or relieves a great variety of other man Sprinel irretation, Neurologie, St. Fitus' Dones, See Emileptic Pits, Convulsions, &c.

es the blond, excites the liver to bealthy action, from It cleanes the blond, excites the liver to neutry section, the stomach, and gives good digestion, relieves the bawels of torpor and constitution, allays inflammation, purifies the skin, equalises the circulation of the blond, producing gentle warmth equally all over the body, and the insensible purspiration; relaxes all strictures and dightness, removes all obstructions, and invigorates the entire nervous system. Is not this then

The medicine you pre-eminently need? ticle? This young man's liquid is not to be COMPARED WITH THE OLD DR'S,

for article? This young man's liquid is not to be COMPARED WITH THE OLD DR'S, because of one GRAND PACT, that the one is INCAPASLE of DETERIORATION, any because of one GRAND PACT, that the one is INCAPASLE of DETERIORATION, any because the other NEVER SPOILS, while the other DOES; souring, formesting, and bioming the bettles containing it into imposents; the sour acid illusid expleding, and damaging other goods? Must not this horrible compound to the system in-What! put acid cate a system drawing deases with acid? What catines Dyspapash but acid? Do we not all know that when food sours in our stemachs, what mischleft is produces? flatuence, heartburn, palpitation of the heart, fiver complaint, diarrheas, dysenney, colic, and corruption of the blood? What is Serofain but an acid humor in the bedy? What produces all the humors which bring on Eraptions of the Skin, Scald Head, Sals-Rhoun, Ery sipulas, White Swellings, Pever Soren, and all ulcorations internal and attention? It is nothing under heaven, but an acid walnesses, which sours, and thus spoils all the fluids of the holy, more or less, What causes Rheumatian but a sour or acid fluid, which instinates itself between the joins and elsewhere, trritating and inflaming the delicate tissness upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and searly all the aliments which afflict human in turn.

Now is it not norrible to make and sell, and faginitaly worse

deranged circulations, and some,
human nature.

Now is it not norrible to make and sell, and faginitaly worse to use the sound of the sound o

Townsend's General irregions on any open of his inferior preparation!!

Howen forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article! and which should bring down upon the Old Dr. such a snountin load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING and purchasers who have used S. P. Townsend's FERMENTING. COMPOUND.

We wish it understood, because it is the absolute truth, that

S. P. Townsend's article and Old Da Jacob Townsend's Ensuperilla 'are henoen-wide spart, and infinitely discinsifer; that
they are unlike in every particular, having not one single thing

in common.

As S. P. Townsend is no doctor, and never wat, is no chemist, no pharmscertist—knows no move of medicine or discase than any other common, unscientific, unpreferenced man, what guarantes can the public have that they are receiving genuine scientific medicine, containing all the virjues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Dissum instead of health.

health.
But what elve should be expected from one who knows nothing comparatively of medicine or disease! It requires a person of some experience to cook and serve up even a common decent word. How much more important is it that the pursons who man ufacture medicine, designed for WEAK STOMACHE AND EXPRESSED SYSTEMS.

WEAK STOMACHS AND ENFRENCES STREET, should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which effect the human system, and how to adapt remedies to these diseases? It is to atract frauds upon the unfortunate, to pour halm into wounded humanity, to kindle hope in the despairing benom, in restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the oppurtualty and means to bring his

Grand Universal Concentrated

Grand Universal Concentrated within the reach, and to the knowledge of all who need is, that they may learn and know, by joyful experience, to Transaccundent Power to Heal.

By Jacos Townsum. New York, Oct. 5, 1962.

By :—On the 30th of July, 1847, I was again stacked with rheumalism, and continued, under various prescriptions, to grow warse for at least two mouths. I became estirely helpiem, incapable of facting muself, or turning is held, or helping myself, incapable of facting muself, or turning is held, or helping myself lany way. In this state I continued until January, 1948, when I began to mend a little had improve gradually till the 1st May. This amountment was only so far as to be able to feed myself, though htill incapable of getting in so out of hed, or even traving fabel. I remained in this condition, with little or so change, until I fairly despaired of getting shout again this season. On the Sist July, I was induced in try your farmagnetia; on the Sist, three days after taking the first dose, I AROSE IN RED, which I had not done before in ten months, and in less than a week. I

which I had not done before in ten months, and in less than a weak. I MALEED ACROSS THE ROOM, with the nid of cru(chet. Since then, I have walked in the street; have gone alous from 38 Seprece-street to the Part; thence to Lavejor; si those and from 38 Seprece-street to the Part; thence to Lavejor; si those and immove frequently visiting my seighbors. During all this time, I have taken but too bettles of Old De. Townson's Strangalth, Det. & I procured absthet bottle (Sh Oct.) and i walked twice across the floor without the aid of crustless. I have also manyly second flows their action of water, which gave my great distress. The pain in my back has likewise left me. Tad my family have no earthy yeason to accept the second of the CLD DR. THE Lungs are in danger, the work of the destroy-

n begun, the cough of Consumption ha in it a sound of death. Are you a Mother? Your durling child, your idol and earthly joy, is now perhaps confined to her chamble by a dangerous cold—ber pale cheeks, her thin shrunk en fingers, tell the bold disease has already gained upor her the sound of her sepulchrel cough pierces your

Young man, when just about to enter life, disease neds a heart-crushing blight over the fair prospects the future-your hectic cough and feeble limbs tell of your loss of hope, but you need not despair.—There is balm which will beat the wounded lungs, it is SHERMAN'S ALL-HEALING BALSAM.

Mrs. Attree, the wife of Wm. H. Attree, Esq. was given up by Dr. Sewall of Washington, Dr. Roe and Me Clelian of Philadelphia, trs. Ros and Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given a id it cared her.

Mrs. Garrabrantz, of Bull's Perry was also cured o consumption by this Balsam when all other remedies failed to give relief she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its affects in several ca. es where no other medicine afforded relief—but the Balsam operated tikes charm. Dr. C. also witnessed its wonderful effects in curing Asthms, which it never fails of doing. Spitting Blood, adarming as it may be, is effectually cured by this Balsan. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of

cough and caterrhal affections of 50 years standing. The a reet, gave it to a sister-in-law who was innormed choose of all that is requisite to make them what they were in a shore. In both cases, its effects were immediate, seen their days of health, &c. In both cases its effects were immediate, soon

restoring them to comfortable health.

Mrs. Lucretia Wells, 95 Christie st., suffered from Asthma 42 years. Shorman's Balsam relieved her at amount, and O'lige yours. e.cc, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This andeed is the timely remedy for Coughs, Colds, Spitting blood, Liver complaints and all affections of the throat, and even Asthma and Consumption.

8. P. Bennery Dear Str.—Some four weeks since
I was induced to try your Yellow Dock and Samaparilla
for Dyspepsis; had been afflicted about 40 cears, most part of the time unable to eat anything without suffering intensely from its effects. I have used now only one bottle of your invaluable medicine, and consid myself entirely cured solely by its use. Can now eat hearty meal, without the slightest inconvenience, Very truly yours, ANTHONY BEEKMAN,

THE GREATEST FEMALE MEDICINE NOW

The mild alterative properties of Dr. Guysott's ex-tract of Yellow Dock and Sarsaparilla, render it pecuiarly applicable to the Slender and delicate constitution female. It is unrivalled in its effects upon such diseases as Insipient Consumption, Barrenness, Leu-corrhoea or Whites, frregular Menstruation, Incontinence of Utine, and general Prostration of the system. It immediately counteracts that distressing nervousness and lassitude so common to the female frame, and im parts an energy and buoyancy as surprising as they

We cannot, of course, exhibit certificates to any extent in this class of complaints, but the two following extracts of letters recently received, indicate sufficiently the great virtue of the medicine as a remedy for the es refered to.

NEWARK, Jan. 25th, 1848. Mr. BENNETT—We take pleasure in stating that your Yellow Dock and Sarsaperilla gives great satisfaction in every case. We shall try and send you some certificates.

A very respectable gentleman informs us that his laughter was troubled with difficult menstruction, and other diseases peculiar to her sex. She had not had her regular menstrual discharges for a long time; but by the use of Dr. Guysrtt's Yellow Dock and Sarsaparill was radically cured. Had used Townsend's and others', without receiving the slightest benefit. He had one daughter die from the same cause. Piesse acid us an additional supply. Very respectfully yours,
J. E. TRIPPE & CO.

CAUTION EXTRAORDINARY. There are counterfeit medicines affoat; therefore the

ader is particularly continued not to allow himself to

Beware how you buy medicine put up in square quart bot'les. Be very sure and ask for Dr. Guysot's Compound Extract of Yellow Dock and Sansaparilla, bearing the written signature of S. F. Bennett, on each outside wrapper, written with black ink; and do each outside wrapper, written with black ink; and do not, on any account, be induced to buy any other arti-cle—as it is this preparation only that is performing such marvelous and astonishing cures. Take no mans word; as persons baying the counterfeit medicine and not genuine, are of course desirous of making their profits consequently you are liable to buy wo tranh, unless you examine for yourselves.

trash, unless you attaine for yourselves.

BOOT & SHOE MANUFACTORY

TOHN W. WILCOX, has removed his establish ment to the shop between Kingsbery's and Bar lett's stores, and where he still solicits a share of public patronage. He intends, byta careful selection of stock, and by attention to the interests of his custo-mers to make as nest and durable work as can be mamers to make as uses are durant work as can be unfactured in this part of the country.

He will keep constant y on hand, and manufacture to order, Morocco, Calf and Course Boots and Shoes;
Ladies' Gaiters, Shoes and Slips; Children's do.;

Gent's Gaiters and Pumps, bc. Country Produce, of most descriptions, taken in payment for work, at the market price. Towanda, April 26, 1847.

10,000 Lives Lost I

GREAT REVOLUTION IN FRANCE, Merely for the want of cheap Clocks, Watches and Jovelry! Great Rush at the NEW CLOCK AND WATCH STORE!

TAMES P. BULL respectfully informs the citizens of Towards and vicinity, that he has lately return ed from Philadelphia, and permanently located in To-wards, one door below the Brick Row, in the room for-merly occupied by Mercur's Hat Store, where may be found gold and silver watches, gold, fob and grand chains, gold and silver pencils, gold pens, breast pins, finger rings, &c., cheap for cash, and every article war ranted. A large supply of CL-WKR, of the latest im-

ranted. A large supply of CL CKS, of the latest improved patterns, running from 30 hours to 8 days and a month, with one winding.

Particular attention paid to repairing CLOCKS, WATCHES & JEWELRY, of every-description, and from the long experience which he has had in the business, work left in his care will be done in the best workmanlike manner. Old gold and silver taken in exchange. Towards, August 16, 1848.y

Removed to north side Public Square!

W A. Chamberlin, HAS just returned from the city of New York with a large supply of Watches, Jewelry and Silver ware, comprising in part, the following articles:—Lever, L'Epineand Plain Watches, with

Jewelry, such as Ear Rings, Finger Rings, Breast Pins, Bracelets, Lockets, Gold chains Gold Pens, Keys, etc. Also, all sorts of Silverware, and any quantity of Steel Beads—all of which he offen for sale exceedingly cheap for CASH.

Watches repaired on short notice, and sourrented to run well, or the money will be refunded, and a writ-ten agreement given to that effect if required. N. B.—MAPLE SUGAR, and Country Produce taken in payment for work; and alan, learn now, and forever, that the Produce must be paid when the work is done—I was against credit in all its forms.

W. A. CHAMBERLIN, Agent.

Towanda, April 28, 1848. THE NOMINATIONS ARE MADE. TORO TOLL BE ELECTED?

C. F. HARDER respectfully wishes to inform the citizens of Towards, and the public that he has commenced the

HARNESS AND TRUNK MAKING BUSINESS, in Towanda, on Main street, a few doors above Bridge street, where he will keep constantly on hand or make to order, Plated and common Harness, Trunks and Trunk Valices, and all kinds of work in his line. CAR-RIAGE TRIMMING and MILITARY WORK done

to order. From his experience in the business, and

netuality in attending to it, he hopes he may receive share of public patronage.

All kinds of work may be had at his shop cheap ser than at any other shop in this county. Towards, June 12, 1848

BOOTS AND SHOES. What are you about here! Arn't ye! Yes, I guessee!

THOUSANDS of times the question has been asked,
Where on earth are all the Boots and Shoes manufactured that supply the continual rush at the corner of Main and Bridge streets? O'Hara answers that this is the place, and these are the things we do it with !

Seventy-eleven new fashion every two seconds! Put on the Steam!!

Hear ye ! hear ye ! and understand, that O'Hara, at he corner of Main and Bridge streets, will sell at retail this season. 39,781 pairs of Boots, Shoes and Brogans at a less price than ever was or prehably ever will be of-

fered again in Towards.

The Ladies' Department in this establishment richly furnished with fashions. Ledies', misses' and richly furnished with fashions. Ladies', misses and children's fancy and common boots and shoes, even to the extremity of the latest fashions. Mistake not the place—Corner of Main and Bridge streets, the only Shoe Store in Bradford County. Half cash and half trade for Butter. Towards, June 16, 1847.

L. BRISTOL. > Completion of the North Branch Canal BRISTOL & SMITH

HAVING formed a co-partnership in the manufacthree doors north of Rridge st. would respectfully inform their friends and the public, that they will carry on the business in all its branches—keep on handand make to order, everything in their line in the nestest manner and in their latest style.

Beleiving that they can do as good or hetter work than can be had elsewhere they would say to those wishing good article in their line to give them a call, and they shall be satisfied. Repairing done on short notice.

Troduce of all kinds taken for work. Hidea united in exchange for Boots and Shoes and Leather.
Towards Dec. 14, 1848.
