

ARREST.—A man by the name of Card was arrested in the village on Sunday morning last, by the Sheriff of Rochester, assisted by Deputy Sheriff Chase of this county charged with being an accomplice in breaking open a safe, and taking \$700 in money from the safe, which was in the first place removed from the mill. He was taken back to Rochester in custody of the Sheriff of that city on Monday, after having enjoyed the hospitality of Deputy Sheriff Chase, in one of the cells of our county jail, during Sunday and Sunday night.

A SHAMFUL HOAX.—An extra from the office of the Columbus, Ohio, State Journal, dated on the 20th instant, contains a telegraphic despatch announcing the death of General Taylor by cholera, naming the date of the editor by some simple words, whose wit was nothing like his malice. The despatch was copied into other papers, but with a credit expressed of its truth.

RECENT ATTEMPTS have been made to recover the treasure lost in the British brig-of-war Plumper, in the Bay of Fundy, in 1822. She had on board at the time 474,000. By means of India rubber apparatus, made by the late Mr. Boston, persons have descended to the bottom, sixty feet deep, and obtained about \$2,000.

ACCIDENT.—A passenger car was thrown off the back of the Ithaca & Owego Railroad, opposite the bank in this village, on Thursday, by running on to a piece of timber which had been left upon the road. The driver led head first on to the pavement and the wonder is that he was neither killed or seriously injured.—Owego Gazette.

A SON of Mr. Rathbone, the hotel keeper in New York cut his own throat recently in a fit of delirium tremens; and also inflicted a severe wound upon the neck of his mother, who attempted to wrest the razor from him. Both will probably recover.

MERCHANT'S GARGLING OIL.—It is worthy of special remark, that beside the great and extraordinary powers in the cure of diseases of the horse, in which its virtues first attracted the attention of the farmer and farmer, and the wonder of the public generally, it has been successfully employed in a great variety of the maladies which afflict the human race; and it has proved, by the wonderful cure it has performed on the lower animals, that it is endowed with curative properties not found in other horse oils, which has established its claims to general confidence. See advertisement in this paper. A pamphlet of description may be had gratis of the agent.
