G. W. Merchant's Celebrated CARCLING OIL

Which is also a Universal Family Embrocation for Diseases of the Human Flesh.

TIME and experience have fully proved that that this L UNIVERSAL REMEDY has not not its equal on the list of popular medicines, having been more than 14 years before the public.

Testimony of the most disinterested character of its

wonderful effects on the animal economy is almost daily presented to the proprietor.

A young man in the town of Wilson, whose clothes were hurnt off of him, was restored (without suffering) by the timely use of the Oil.

Numerous are the unsolicited statements of patients themselves, and others who have used the Oil, of cures which in themsalves appear remarkable, that they at all interested in a pecuniary point, they could hardly have been cied ted. The following diseases are among many others in the

curs of which this Oil has been completely successful and in which others had entirely failed:-Spavins, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Lameness, Presh Wounds, Sprains, Bruises, Sand Cracks, Poundered Peet, Scratches, or Grease Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilhlains, Chaped hands Cramp, Contractions of the Muscles, Swellings Weakness of the Joints, Caked Bressts, &cc.
