SCROFULA

If thousands of Cures of Scrofula, Cancer, Syphilis and other impure diseases of the Blood can if the ver SMALL QUANTITY That which was used of a Medicine to effect Cures of such Diseases, bestow proof of the purifying & mutical power in the Medicine which has subdued and conquered such Diseases—then there is imputation able evidence that—

BRANT'S INDIAN PURIFYING EXTRACT

is such a Medicine, in every respect; and there is abundant proof, in *great cures* effected, that ONE BOTTLE of it contains more purifying, healing virtue, and *medical power*, than there is contained in *Four Bottles* of any *sarsaparilla*, or any other medicine that has ever been offered for sale. There is undoubted proof in our pamphlets that by the use of this great *Indian Purifier*, they that were DYING yet LIVE—they that were LAME and CRIPPLED can now WALK—they that were SICK, SCROFULOUS, and otherwise diseased, have been HEALED and CURED.

Hundreds—Thousands—

who have used BRANT'S PURIFIER, after having used and tested ALL the *Sarsaparillas* and other medicines recommended to cure blood diseases, have *decided* that—

Brant's is the Cheapest,

because *One Bottle* of it has more merit of curative matter in it, and, in consequence, cures *more disease* in much *less time*, than *one bottle* of any other medicine.

If, then, *ONE Bottle* of BRANT'S PURIFIER will cure *FOUR TIMES* more disease than *one bottle of sarsaparilla*, "BRANT'S PURIFIER" would be as *cheap at four dollars* a bottle, as *car sparilla at one dollar*. But BRANT'S PURIFIER is sold for only ONE DOLLAR a bottle; and as a bottle of it *has* cured, and is *capable* of curing, *Four Times* as much disease as *one bottle of sarsaparilla*, therefore sarsaparilla, in consequence of its less power and *less* medical efficacy, should be sold at no more than *Twenty-Five Cents* per bottle, to be as *cheap* as the PURIFIER at *One Dollar*.

One Dollar's Worth!

How much CANCER—how much SYPHILIS—how much SCROFULA—will *One Dollar's worth of Brant's PURIFIER* cure? Read the following statement, which is a specimen of its power

CANCEROUS SCROFULA!

This is the case of a *Dying* man who *yet lives*. He *was cured* of a worse case of Scrofula, by only *Twelve Bottles* of Brant's Purifier, than ever was cured by the use of *Twelve Gallons* of the *best sarsaparilla* that was ever made. Sarsaparilla has not *sufficient medical power* to effect the cure of such a *revolting hopeless* case.

Mr. J. B. HASKIN, of *Rome, Oneida Co., N. Y.* had *Scrofula four years*—was confined to his bed the *last year*—he was so much diseased and debilitated as to be unable to raise his hand to his head. He had the *best* medical advice, and tried all of the *best sarsaparillas* to no good effect—got *worse* and *worse*, and was considered to be in a *Dying State*, and could not live *twenty-four hours* longer, when he commenced using BRANT'S PURIFIER. His *neck was eaten nearly off* from *ear to ear*—a *hole* was eaten through his *windpipe*, under his chin, so that he breathed through the, hole—his *ear* was so eaten around that it could be *lifted up* off of its place—a *small piece* of his *left hand* off at the *end of one arm* was *destroyed* by two Ulcers—an *Ulcer* under the arm as large as a man's *hand*, had nearly *eaten* through his side *into* his *body*. Thus he was afflicted with *twenty such putrid, acrid, offensive Ulcers*, on various parts of his person. For further and full particulars, see our *Pamphlets*.

Dect. THOMAS WILLIAMS, one of the most skilful physicians of Rome, was called to *see* Haskin the *day before* he commenced using *Brant's Purifier*. Doct. W. examined him, and then told him that *all the medicines* in the *world* could *not cure* him—that his case was

Worse than Hopeless!

Now hear Mr. HASKIN'S statement of cure. He said: My wife procured one bottle of *BRANT'S PURIFYING EXTRACT*—*THAT BOTTLE* enabled me to *get out of my bed*—the SECOND BOTTLE enabled me to *get out of the house*—the THIRD enabled me to *walk two miles*, and when I had finished using *Nine Bottles* SEVENTEEN out of *twenty Livers* had *healed up*, and *three bottles* more effected a PERFECT CURE and restored me to *good health*

FOURTEEN WITNESSES!

The above facts are certified to by DOCTOR T. WILLIAMS, Mr G. R. BROWN, of *West Rome Hotel*, Messrs. BISSELL & LEONARD, Druggists, and ELEVEN other *respectable witnesses* at *Rome*.

CANCERS CURED.

Mr. O B. KINNEY, merchant, *Clinton, Oneida county* N. York, informed me that a cancer-doctor in said county was effecting wonderful cures of CANCERS through the efficacy of BRANT'S PURIFYING EXTRACT. A *Cancer-doctor* in CLINTON, N. York, is also using said PURIFIER. Mr. B SEYMOUR, druggist, at Chittenville, Montgomery county, N. Y. has informed us of an important *cure of a* CANCER of long standing, which was effected upon a lady of that place. In secrecy, this PURIFIER cures *Cancer*, by its purifying, healing power, what number of cases of the blood can it not cure? Seven years' experience and triumph says there are none but what it will cure.

FEVER-SORE CURED.

The Rev. RICHARD DUNNING, Pastor of the Presbyterian church, Adams Basin, Monroe county, N. Y., was so ill as to have just received a letter from Mr. CHARLEY DUNNING, relative to the cure of his Fever-sore. You may depend on what it states, for he is a Christian man and an elder in the church. Some years since, on had to have one of his legs cut off, to save his life, in consequence of a Fever-sore. The other leg being now affected, and about to be amputated, I recommended BRANT'S MEDICINE. Read the result. He says: "*I have used only* THREE-DOLLARS of BRANT'S MEDICINE, and I can now say that, with the blessing of God, *it has effected a cure of my leg*." See Pamphlets for full particulars.

LIVER-COMPLAINT!

DR. NATHAN HUBBARD, of *Stamford, Conn.*, one of the oldest and most respectable physicians, was afflicted with *Liver-Complaint* many years, and was *perfectly cured by taking* BRANT'S PURIFYING EXTRACT. We could name hundreds of other cases, also cured.

FEMALE WEAKNESSES AND COMPLAINTS.

No remedy offered to the public has ever been *half so certain and effectual in restoring* ALL the incidental *weaknesses* and *irregularities* of the sex, as BRANT'S PULMONARY BALSAM. It makes no difference whether the derangement be *suppressed, excessive, or painful*—it REGULATES ALL, by *strengthening the* SYSTEM, *equalizing the* CIRCULATION, *and soothing and allaying* NERVOUS IRRITABILITY. See pamphlets.

CHANGE OF LIFE,

from the *girl* to the *woman*, and the *woman at middle age*—the one *close to menstruation*, and the other to *gradually suppressed*, as to prevent any of the *fatal diseases* that frequently arise in consequence of such change.

Dyspepsia—Sour Stomach!

"ATTICA, *Genesee Co., February* 1, 1848.

"M. T. WALLACE & CO.—*Gentlemen*: I was, for more than a year, afflicted with a disease of the stomach. I could eat any fat or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a sour stomach. I, as an experiment, tried one bottle of BRANT'S MEDICINE, which, to my utter disappointment, *acted and behaved the usual pain after eating*. I therefore took a second bottle, which has completely cured the disease. I am now well and hearty, and can eat almost anything without being pained, or the stomach becoming sour.

"Yours respectfully, P. S. WILCOX."

Mr. WILCOX is a respectable merchant of Attica.

NURSING SORE MOUTH, LUCORRHŒA, &c.

"BYRON, GENESEE Co., N. Y., Oct. 19, 1847.

"MESSRS. M. T. WALLACE & CO.: Some time last winter my wife became so debilitated from the effects of *Lucorrhœa* and *Nursing Sore Mouth*, that she was confined to her bed for more than three months, and had to employ a hired girl to perform many hours of hard labor. Her medical treatment was varied according to the advice and prescriptions of the most eminent physicians, until *our skill* was exhausted in useless efforts. She became so very a skeleton, that at the time she commenced taking *Brant's Medicine* she weighed no more than eighty-five pounds; but by the time she had taken *four bottles*, she became perfectly well. The cure is so perfect, that she is now enabled to do all necessary household work, and gained thirty pounds of flesh in four weeks.

"Yours truly, C. B. GALENTINE."

The reader will observe that Mr. GALENTINE says "*our skill*." He, we are informed by Z. S. TERRY, Esq., of the same place, has studied medicine.

MERCURIAL DISEASES.

BRANT'S PURIFYING EXTRACT is a *perfect and thorough eradicator of all the effects* of MERCURY, or any of the various preparations of CALOMEL or MERCURY, *from the system*; and it removes *the disease, mercury, and all the parts diseased*, to their original HEALTHY STATE.

GENERAL DEBILITY OF THE SYSTEM!

Mr. A. HOLTSTANDER, merchant, *Oberlin, Lorain Co., Ohio*, wrote, December 19, 1848, and after having stated how like a charm the PULMONARY BALSAM had effected the cure of his wife's consumptive cough, said: "I have perceived that BRANT'S PURIFYING EXTRACT, for general debility of my system, and I have no hesitation in saying that it is the best medicine to RESTORE and INVIGORATE THE SYSTEM that I have ever used. In every instance where we have sold BRANT'S MEDICINES, *they have proved their efficacy, and given the* BEST SATISFACTION."

SALT RHEUM,

CAUTION EXTRA!

A man by the name of CLARK has engaged with a number of the agents of N. P. Townsend, and taken his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *GENUINE*. Original—as "Dr. Townsend" is no doctor, and never was, for your humble, a doctor on railroads, canals, and the like. For the likeness the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 *Nassau-st., New York City*

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVEREE OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHOR* and *DISCOVEREE* of the *GENUINE ORIGINAL* "*TOWNSEND SARSAPARILLA*." Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales of it counterfeited to those only who had proved its worth; and known its value. It had rescued the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science & experience, devised an article which would be of inculculable advantage to mankind when the means would be furnished to bring it into universal notice, when its inestimable virtues could be known and appreciated. This time has come, the means are supplied; this

GRAND AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for through out the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared on *scientific principles by a scientific man*. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce *fermentation* and *acid*, which is injurious to the system. Some of the properties of Sarsaparilla are so *volatile*, that they entirely evaporate and are lost in the preparation, if they are not preserved, by a *scientific process*, known only to those experienced in its manufacture. Moreover these *volatile principles*, which fly off in vapor, or as an exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its value.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter in the root than from any thing else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it, "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is carefully rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable diseases.

Hence the reason why we hear commendations on every side as its fame by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT*, and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and in purifying and renovating Your

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *indigestion*, from *debility of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds and Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture in the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Knor Albus or Whites, Falling of the Womb, Obstructed, Suppressed, or Painful Menses, Irregularity of the menstrual periods*, and the like; and is so effectual in curing all the forms of *Nervous Diseases*.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Sorenes, Stiffness of the Limbs, Pain in the Side, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalizes the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system.—Is not this then

The medicine you pre-eminently need!

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S,

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES; *souring, fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid eroding and damaging other goods! Must not this horrible compound be poisonous to the system?—*What!—put acid into a system already diseased with acid!*—What causes Dyspepsia but acid?—Do you not all know that vinegar, acid sours in your stomach, what establishes it permanently in disease, heartburn, palpitation of the heart, liver complaint, diarrhœa, dysentary, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulation, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use these

SOURING, FERMENTING, ACID "COMPOUND"

OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Old Sarsaparilla*, is an IMITATION of his inferior preparation?

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!* and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *known wide apart, and eventually dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of change, which might render them the AGENTS of Disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the person who manufactures medicines, designed for

WEAK STOMACHS AND DERANGED SYSTEMS,

should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which afflict the human system, and how to adapt remedies to these diseases!

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the desponding heart, to restore health and vigor, and raise into the grushed and bruised heart and to banish infirmity that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy,

within the reach and to the knowledge of all who need it, that they may learn and know, by personal experience, its

Transcendent Power to Heal.

Dr. JACOB TOWNSEND, Sir:—*Dear Sir*:—On the 30th of July, 1847, I was again attacked with rheumatism, and continued, under various prescriptions, to grow worse for at least two months. I became entirely helpless, incapable of *feeding myself*, or turning in bed, or helping myself any way, in this state I continued, until January, 1848, when Thought to send a bottle and limp over gradually all the 1st May. This amendment was only so far as to be able to feed myself, though still incapable of getting in or out of bed, or even dressing in bed. I remained in this condition, with little or no change, until I fairly despaired of getting about again this season. On the 21st day—I was induced by my family to try your Sarsaparilla; on the 24th, three days after taking the first dose, *I ROSE IN BED*, which I had not done before in ten months, and in less than a week, I

WALKED ACROSS THE ROOM

with the aid of crutches. Since then, I have walked in the street: have gone about from 3d Spruce-street to the Park; chance to Lovejoy's Hotel and back. I have been to 85 Nassau, upon two different times, and am now frequently visiting my old customers. During all this time, I have taken but *two bottles* of Old Dr. Townsend's Sarsaparilla, Oct. 4, I procured another bottle (5th Oct.) and I walked twice across the floor without the aid of crutches. I have also nearly recovered from constriction of water, which gave me great distress. This pain in my back then leaving left me. I and my family have no earthly reason to ascribe my recovery to any other cause but to

OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

M'ALLISTER'S OINTMENT.

THE Great Remedy of the Age! A SCROFULOUS, HUMORS, SKIN DISEASES, POISONOUS WOUNDS, to discharge their putrid matter, and heal them. Internal and Ex

It is rightly named ALL-HEALING, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last sixteen years, for all diseases of the chest, involving the utmost danger and responsibility, and I declare before Heaven and them, that not in a case has it failed to benefit, when the patient was within reach of mortal means.

These first physicians learned in the profession have had ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest erudition, and multitudes of the poor use it to every variety of way, and there has been but one voice—one universal voice—saying

M'Allister, your Ointment is good.

Rheumatism—It removes almost immediately the inflammation and swelling when the pain ceases.—Read the directions around the box.

Head Ache—The salve has cured persons of the head ache of twelve years standing, and who had it regular every week as that vomiting took place.

Deafness, Earache, Tooth-ache and Ague in the Face, are helped with like success.

Scald Head.—Many of these cases literally defied every thing until this salve was tried, after having been to twenty doctors. One man told us he had spent $200 on his children without any benefit, when a few boxes of the ointment cured them.

Baldness.—It will restore the hair sooner than any other thing.

Tetter.—There is nothing better for the cure of tetter *Burns*.—It is one of the best things in the world for burns.

Piles.—Thousands are yearly cured by this ointment. It never fails in giving relief for the

☞ Around the box are directions for using M'Allister's Ointment for Scrofulous Humors, Erysipelas, Ringworm, Salt Rheum, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Chronic Affections, Pains, Disease of the Kidneys, Head ache, Asthma, Ear ache, Burns, Corns, all Diseases of the skin, Sore Lips Pimples, Sore Nipples, Diseases of the joints, Swelling of the Limbs, Sore Legs, Sore Breasts, Rheumatism, Piles, cold feet, Croup, Swelled Sore, Broken Breast, Tooth ache, Ague in the Face &c. &c.

☞ Aged persons find great relief in using this Ointment freely.

Corns.—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they use it frequently.

☞ This Ointment is good for any part of the body or limbs that are inflamed. In some cases it should be applied often.

Clickner's Vegetable Purgative Pills.

ARE the first and only medicine ever discovered that will *positively cure* Headache, Giddiness, Piles, Dyspepsia, Scurvy Smallpox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds Female Complaints, Measles, Salt Rheum, Heart Burn, Worms, Cholera, Morbus, Coughs, Quinsy, Whooping cough, Consumption, Fits, Liver Complaint, Erysipelas, Itchings of the Skin, Colds, Nervous Complaints, and a variety of other Diseases arising from impurities of Indigestion.

It has been proved that nearly every disease to which the human frame is subject, originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the blood to its natural state. This fact is universally known, but people have such an aversion to medicine, that, unless the case is urgent, they prefer the disease to the cure, until an impaired Constitution or a fit of sickness rebukes them for the folly of their conduct. Still they had some excuse, for *heretofore*, medicine in almost all its forms, was nearly as disgusting as it was beneficial. Now, however, the evil is most effectually removed; for *Clickener's Vegetable Purgative Pills*, being completely enveloped with A COATING OF PURE WHITE SUGAR (which is distinct from the kernel) have no taste of medicine, but are as easily swallowed as bits of candy. Moreover they do not *nauseate or gripe* in the slightest degree, which is occasioned by the fact that are compounded on scientific principles, and operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region, (which is the great and admitted evil of every other purgative.) Hence, they *strike at the root of Disease*, remove all impure humors from the blood, open the pores externally and internally, promote the insensible Perspiration, obviate flatulency, Headache, &c.—separate all foreign and obnoxious particles from chyle, so that the blood, of which it is the origin, must be thoroughly pure—secure a free and healthy action to the Heart, Lungs and Liver, and thereby restore health *even when all other means have failed*.

Philadelphia Advertisements

PHILADELPHIA MEDICAL HOUSE.—Established 15 years ago, by DR. KINKELIN, THE oldest, surest and best hand to cure all forms of secret diseases, of the skin, and solitary habits of youth, is DR. KINKELIN, Northwest corner of THIRD and UNION Streets, between Spruce and Pine, a square and a half from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.

There is a habit which boys teach each other, the dread and cry of Colleges—a habit indulged, in when by himself, in multitudes; grasping up with the boy to manhood; few of those who indulge in this pernicious practice are aware of the consequences, until those find the nervous system shattered, feel strange and unaccountable feelings, vague fears in the mind. The individual becomes feeble; he is unable to labor with accustomed vigor or to apply his mind to study; his step is tardy, and weak, he is dull, irresolute.

IF THE SOLITARY VICE

Is continued, the procreative power is destroyed, and marriage rendered impossible, a long train of nervous affections follow, the countenance is downcast, the eyes without natural lustre, shame and sadness is apparent.

THESE BAD SYMPTOMS WHICH SHOULD AWAKEN the attention of those already afflicted.

IF THE VICTIM

Be conscious of the cause of his decay, and quit it, he suffers under those terrible nocturnal and interlinary emissions, which awaken and shame him producing mental and physical prostration. If he emancipates himself before the practice has done its worst, and enters matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies.

YOUNG MEN!

Let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Thousands have been restored to health from the devastations of these terrific maladies, by Dr. Kinkelin, German Physician.

Packages of Medicines, Advices, &c., forwarded, by sending a remittance, and put up secure from damage or curiosity.

Post paid letters answered forthwith. 6m34

This book should be in the hands of every young man or woman contemplating MARRIAGE. Every school-boy, and indeed every man or woman, married or single should read with care and attention, this truly useful work as we consider it well adapted to awaken attention to a subject more blighting to body, mind and soul, than any other vice.

Young or middle aged persons, suffering from Dyspeptic and Consumptive symtoms of long standing, by a careful perusal of this most wonderful work, will find the cause of such symptoms in the baneful habit here
