HIRAM MIX'S DRUG STORE
REMOVED.
H. MIX has removed his Drug Store to the north corner of the Public Square, lately occupied by James H. Sayre, and having fitted up his store, has added to his former assortment a large supply of
DRUGS AND MEDICINES,
GROCERIES, LIQUORS, OILS & PAINTS,
Willow & Woodcock ware, Glassware, Fitting Tackle, Fancy Goods, Perfumery, &c.
He is agent for most of the valuable POPULAR MEDICINES of the day, which can be purchased of him with a certainty of procuring genuine articles. He is also agent for the CANTON TEA COMPANY of New York, whose Teas have attained a wide reputation for genuineness and their low price. An examination of his stock, to which he invites the attention of the public, will satisfy every one that it has been selected with a view of procuring the best and most desirable articles, and purchased at the lowest rates. Towanda, May 1, 1849.

G. W. Merchant's Celebrated CARCLING OIL.
Which is also a Universal Family Emolument for Diseases of the Human Flesh.
TIME and experience have fully proved that this OIL is a UNIVERSAL REMEDY, not that it is equal on the list of popular medicines, having been more than 14 years before the public.
Testimony of the most disinterested character of its wonderful effects on the human economy is almost daily presented to the proprietor.
A young man in the town of Wilson, whose clothes were burnt off of him, was restored (without suffering) by the timely use of the Oil.
Numerous are the unolicited statements of patients themselves, and others who have used the Oil, of cures which in themselves appear remarkable, that they at all interested in a pecuniary point, they could hardly have been effected.
The following diseases are among many others in the cure of which this Oil has been completely successful and in which others had entirely failed:
Scabies, Sweeney, Ringworm, Windfalls, Poli Ery, Calves, Cracked Heels, Galls, Glands, Sand Cracks, Fresh Wounds, Sprains, Bruises, Sand Cracks, Foundered Feet, Scalds, or Grease Manges, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chills, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c.
CAUTION TO PURCHASERS.
Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor, GEORGE W. MERCHANT, LOCKPORT, N. Y., is blown in the side of the bottle, or in his hand writing over the cork. Don't be persuaded to take any thing else with the promise it is just as good, &c. This is practiced by those on principal dealers whose conscience will stretch like India Rubber, and who are of a kindred spirit of those in our large cities, whose nefarious practices have so recently been exposed to the action of Congress.
Those who attempt to Counterfeit this article are referred to the law of New York, of May 1848, by which it will be then that every person selling or distributing counterfeits is subject to indictment, imprisonment, and fine.
A person selling out of this state, will be liable to arrest when in the state, and also to be held as a witness against him the bought or sold for.
All Orders addressed to the proprietor will be responded to.
Get a pamphlet of the Agent and see what wonders are accomplished by the use of this medicine.
Sold by respectable dealers generally in the United States and Canada.
For sale by HUSTON & PORTER, Towanda, E. D. Wall, Lawrenceville, Edwin Byer, Covington, Abel Turrell, Monroeton, Pomp & Kinney, Easton, Lewis Smith & Co., Allentown, H. B. Duffin, South Easton, Oct. 15th 1849. n20,y1.
