AT a meeting of the colored citizens of Bradford county, held in Towarda boro, on the 18th of January, inst, we the undersigned, were appointed a Committee to solicit aid in building a church and school bouse, to be located in this ing a cource and sense; to be rocated in this Borough, for the benefit of the colored people of this county; and as we feel deeply the importance of this enterprise to the end we have in view, of advancing our moral religious and intellectual culture, and as our numbers are few and our means inadequate, we take this method of appealing to the liberality of the white citizens of Bradford for assistance; hoping that in the more favored situation in which Providence has placed them, they will be mindful of those upon whom His bounty has been more sparingly bestowed, and that they will give us countenance and support in this struggle for the mprovement of our condition.
