Farming and the Professions.

Dur city is fast filling np with young men, mostly from the country, and in many instances the sons Over 1500 and " " 1500 " 18 " " of farmers, to enter upon the study of medicine -city, and that nowhere can a medical education be more perfectly or more cheaply obtained than at the Philadelphia colleges, yet we think those young men make a mistaken estimate of the true nobility of profession, in abandoning, the culture of the soil for the pursuit of any of the " learned professions." All honest toil is honorable and dignified just in proportion as it answers the necessities of man, and adds to human comfort and independence. The tiller of the soil, therefore, ranks first-he is the tiller of the soil, therefore, ranks first—he is the royal octave, containing 1600 pages, 14 steel and, king of laborers, for the soil provides for the first and greatest necessities, food and raiment. The \$6; in paper covers, for the mail, \$5. tarmer, standing in his furrow, is more substantially a king than he who sits on a regular throne, and depends for his daily bread on the tiller of the soil.

The first is independent; he creates for himself.-The latter is dependent for all he eats, drinks or wears Next to the tiller of the soil in essential nobel ty, are the mechanic and attisan-the men to order, Flags-stated, Cottage, Windsor, Face, Cane whose brown hands build honses and ships, and seated and Common CHAIRS, made of the best materials, and of superior durability. He has uso for sale an assortment of BEDSTEADS. fornish the endless appliances of every day life -Who does most to bless mankind ?- the shoemaker at low prices

who keeps our feet from the damp and cold; the Flag-seated Chairs, on reasonable terms, man who covers our head and fashions our garmen's, or, he who, without creating for us a single ber taken in payment for work. condort, calls himself & king and is himself a tyand the durability of his work as tested by many years , rant-a consumer of the sweat and blood of nations ? experience, will secure him a share of public patron Does it need arguing to answer so simple a quesage. Towands, March 1, 1851. tion ? Surely not. We can see at once that he is most noble in his pursuit who most relieves the **BOOTS & SHOES** mecessities and advances the comforts of mankind What men on earth so imperial as the possessor of scree from which his own toil can draw a supply. for every need. He is not forced to do homage to heretofure.

to any human being, nor to depend npon any chance for fivelihood. The young man who leaves the fa mfield for the merchant's desk, or the lawvers or doctor's office, thinking to dignify or ennoble his toil, makes a sad mistake. He passes by that step from independence to vassalage. He barters a natural for an artificial pursuit, and he must be the slave of the captice of customers and chicane of trade, eather to support I imself or acquire a firming. The more artificial a man's pursuit, the care, and he believes he can offer superior articles at reasonable prices. (T) The strictest attention paid to Manufacturing, more fiel using is hit morally and physically. To test it, contrast the merchant's clerk with the test it, contrast the merchant's clerk with the and he hopes by doing work well to merit a continu-plough boy. The former may have the most ex- sace of the liberal-patronage he has bitherto received. terior polish, but the latter, under his rough outside 1. a much nobler man. Would that young men might judge of the dignity of labor by its usefulness and manliness, rather than by the superficial possesses the true stamma. We nover see a man's nobility in his kid gloves and toilet adornments,

, but in the sinewy arm, whose oullines, browned by , the snn betoken a hardy, honest toiler, within whose bosom the noblest heart may beat.

FATTENING POULTRY .- COOP up pouliry to fatten and they will do well up to twelve or fourteen days. Keep them in the coop beyond that time, and feed, them as much as you like, they will grow leaner

heretofore, to receiving the works by mail, and thus ensuring their speedy, safe, and regular delivery.

## Is Still in Operation !
