Cloth, Flannel or Cassimere,

on short notice. Having understood that wool buyers—travelling the county—have often sold their cloth as of our make, we wish it distinctly underswood that we have no one peddling our cloth for Horebound stool; neither shall we allow any one to do so, believing that this is only a tax upon the Farmer, and a practice of which upprincipled dealers take adventage to cheat the inexperienced buyers therefore any persons wishing to exchange their Wool for Penigreek our Cloth, can only do so by calling at our factory Anise where we will give them as good bargains as they can get this side of New York.

We will warrant our cloth to be made of good wool and not composed of filth—in short made for Guiden service, and not merely for sale. Call and try us, and we flatter ourselves that we shall be able to satisfy you of the correctness of the above state-
