Cloth, Flannel or Cassimere,

on short notice. Having understood that wool buyers-travelling the county-have often sold their cloth as of our make, we wish it distinctly underwood that we have no one peddling our cloth for tool; neither shall we allow any one to do so, believing that this is only a tax upon the Farmer, and a practice of which unprincipled dealers take adantage to cheat the inexperienced buyers ; therefore any persons wishing to exchange their Wool for Fenigreek our Cloth, can only do so by calling at our factory where we will give them as good bargains as they can get this side of New York. We will warrant our cloth to be made of good

wool and not composed of filth-in short made for ervice, and not merely for sale. Call and try us. and we flatter ourselves that we shall be able to satisfy you of the correctness of the above state-
