The Austher Menone by

Charles 4 Pyrakouto state

I was on the verge of the grave, and so far gone the

in the situation, having been researed by the since Schenes Pulmonie Syrop, Take

the in testify; with grateful emotion to Dr. Schonek

the offipeakabs benefit I have received from the base of the invaluable medicine.

Early last fall, I contracted a violent cold, and in consequence of which I had chills, alternated with fewer.

This in my right breast and shoulder blade; with

a bad cough, and my expectorations, d kept getting

worse until I topk my bell and had the sttendance of

my family physician. L was under his care about fou

weeks, sak at the Papiration of that time was reduced

m low that destain mak, hold of myself and friends,

and even my thysician abandoned me and cave me

up to die with the lasty consumption. My appetite

was gone, my bowels pergirregular, fever and, night

sweats, pain in my breast and shoulder, attended with

a distressing cough, which was very tight ; my flesh

had nearly all goner and was so, weak that I could scarcely raise my head from the pillow, and was truly an object of pity to behold. My friends had been sent

for to see me die, and my sick had was surrounded by kind and sympathizing neighbors, who had come to

witness my departure from this world.

When all rays of hope had fled of my recovery, in neighbor, Mr. David Conrad, proposed to by Schenck.

pon my lungs.
I continue to improve under its use, and my friends

were much gratified to witness my unexpected im-provement; many of my neighbors came to look at me as one raised from the dead.

My cough now became bose, and I fall something break, we gut had the pain in my breast, and I dis-charged large quantities of yellow matter. I have for

weeks discharged and raised a spot box full of matter

waithed aver me, and fully believed they would con-sign my remains to the tom'r; but, thanks to Dr.

Schenck for his invaluable. Pulse see Syrup, my life has been spared, and Luin permetted to make the foregoing statement for the benefit of suffering mankind.

I reside at Tactay, and am well known by most of the people there, and will be gratified to have any

ORRICK'S VERMIFUGE THE SON WORM Destroyerian sist. This Aledicine contains no Alexcury, mor unit other

Ass. Moneral substance. "It repurely. Vegetables."

"This remedy for worms is one of the most extraor-Phousants perish by worms without the real cause ing known! Some other reason is assigned for the ickness, until too late to cure the rest causensuo? What immenso responsibility rests upon the parent who does not know, and the doctor who does not understand the complaint which is destroying those precious flowers of life—children.
What should be done!

What should be done? The answer is plain. Give the Vermilige, which will be sure to do good if they have, no words, and if they have, it will destroy and eradicate them with a

certainty and precision fruly astonishing.

There is no vercery or mineral in it. Mercary is
the basis of most worm remedies; and the remedy is
sometimes worse than the disease. Fo never use lozenges, but-rely upon-this. Every person will be convinced on one trial that it is the hidst perfect cure ever invented. If you are her to the most specific to the The simmlenee calculate this Vermifage hear is a sure

test of its value and the estimation in which it is held test of its value and its estimation in which is upon the by families. It would be quite to expensive to pullish the volumes of certificates that have been given for this article, and the users of it are requested to proad the name to a persons whom they think will se benefitted by it.

Speak of it.in all families, and you will do your duy to your follow creatures; and feel assured of the appropriation of all good man, and will receive your teward

We call on all good citizens to make known the effects of this wonderful remedy.

Remember, and ask for Orrick's Vermifage.

Startling Facts.

Handreds of children and adults are lost yearly with warms, when some other cause has been supposed to to the true one.

It is admitted by all doctors that scarce a man, weman, or child exists, but what sooner or later are troubled with worms, and in handreds of cases, sad to relate, a supposed fever, scarlatina, cold, or some other ailing carries of the flower of the human familywhile in truth they die of worms! and these could have been eradicated in a day, by the use of one bottle

of ORRICK'S VERMIFUGE. How sickening the thought that these things should be—and who can ever forgive themselves for not try-ing this WORM EXTLEMINATOR, when they Saw, filed and set, in running order for (\$35 00 know that even if the case was not worms, this remedy could not by any is solutity do hurt-but always importance. I take it for granted that every person Upright or Fellog. Saw Mill for Wheel- \$40,00 | Ilow important then to use it, and who will-dore to children, and that every person will endeavor to protake the responsibility to do without it?
