BRADFORD COUNTY PAINT.

THE Subscribers have recently opened upon their lands in Toscarora Township, Bradford Cos, Pa., a bed of Mineral and Fire Proof Paint, which they offer to the attention of the public. This article which is now extensively used throughout the country recommends isself to general favor by, its cheapness and by its peculiar properties of becoming after a short exposure, as hard as slate, tender-

ing buildings both fire and water proof. We ask of the public to give our paint a trial, being willing that it shall stand upon its own mer-its, in full confidence that no article in market surpasses it in value. We have had it tested by practical men, who declare it superior to any kind of Mineral Paint, now offered to the public.

We have made preparations for supplying any quantity that may be needed, and shall have a supmake distribution of the money in the hands of ply at nearly every store in the County, to give the
