Another Rescue by SCHENCE'S PULMONIC SYRUP.

I was on the verge of the grave, and so far gone that my family and friends had lost all hopes of my recovery; and when in this situation, having been rescued by the use of Schenck's Pulmonic Syrup, I decirc to testify, with projected emotion to Dr. Schenck, he unspeakable henefit I have received from the use f his invaluable medicine.

this myoru over means and.
Early last fall, I contracted a violent cold, and in consequence of which I had chills, alternated with fever, pains in my right breast and shoulder blade, with a bad cough, and no expectoration. I kept getting worse until I took my bed, and had the attendance of my family physician. I was under his core about four weeks, and at the expiration of that time was reduced arelow that despair took hold of myself and friends and even my physician abandoned me and gave me up to die with the hesty consumption. My appetite was gone, my bowers very irregular, fever and nightewests, pain in my breast and shoulder, attended with distressing cough, which was very tight ; my flesh ad nearly all gone, and was so weak that I could scarer's raise my head from the pillow, and was truly an object of the to behold. My friends had been sent for to see me die, and my sick hed was surrounded by kind and sympathizing neighbors, who had come to vitness my departure from this world.

When all rays of hope had fied of my recovery, neighbor, Mr. David Conrad, proposed to try Schenck's Pulmonic Syrup, with a view of loosening my cough and relieving me of the tough phlegm, and as a mean faffording temporary relief, remarking at the time, that I was too far gone for the Syrup to be of any My wife, anxious for the relief permanent benefit." of my intense sufferings, procured some of the Pulmonic Sysup. I found it afforded me relief, and con-tinued using it. I could feel its healing influence nt on my lungs.

I continue to improve under its use, and my friends were much gratified to witness my prespected improvement; many of my neighbors came to look at me

My cough now begin loose, and I felt something breat, v on I had the pain in my breast, and I disthing Harge qui dataset yellow matter. I have for The last of the zot and record a spit box full of matter every dec, with hard lamps like grains of something. My howels now because regular and in tural, and my paper the was so fir improved, that I could scarcely re-" Come a for the pouch. My strength improved, and I regained my the be-

I continue by a supprove in every respect soon after I programs lustrative byong, and the improvement enumed unto I were not real to be y health. I have possed through the inclement weather of the latter part of winder and the spring, and feel as well how as ever I let in my life, and I am this day a least testimany of the great fliency of Schenck's Pulmonic Berge in engine jeden is are diseases.

Lot the style out be thought too bighly colored by some sale. I shall an ermanes of a rumber of the Let totan's of a contact who saw month deforent times done y new die in e . .
