MINE WAFERS. THIS extraordinary preparation has been for me

I'ny years the most certain and speedy remedy for Couges, Colds, Astena, BRONCHITUS, INFLUEN-EA, AND DISEASES OF THE CHEST AND LUNGS. TO those suffering from obstinate and confirmed Coughs, they give the most immediate and perfect relief, and when great liability to take cold exists, and a troublexone Cough succeeds the slightest exposure, these WAFERS produce the most marked results. They at once relieve the Cough and other symptoms, and remove that morbid irritability and weak. ness of the Lungs which give rise to the complaint. The medical properties are combined in an agreeable form and pleasant to the taste, so that any child will readily take them : and they are warranted to give relief in ten minutes after use in all cases.
