any other mode yet practised. The best place for you to effect a sale, lease, exchange or loan on your property, is in its immediate vicinity. If you cannot do it there, the next best place is in the city of New York. Or if you want Immigrants or settlers of any class here is the place to obt in them !

Because here at all times and seasons, there are from 30,000 to 70,000 strangers, many of whom are seeking for investments of homes. Because there are probably 100,000 who want to emove from the city or its vicinity.

Because here is concentrated a great proportion of the surplus capital of the Union, seeking investment. Because here, money is ordinarily worth from 5 to 7 per cent. per annum, on undounted security, while you can afford to give as ample security, or other inucement, where it would produce greater rate of interest, either in annual income or increased value.
