INFORMATION FOR THOSE WHO WANT MONEY OR PROPERTY!!!

Do you want to sell or mortgage any real estate? Have you a bond and mortgage you wish to sell? Have you houses, taverns, or lots, that you wish to sell or lease? Do you own a mill, factory, foundry, tannery, or other manufacturing establishment, that you wish to sell or rent? Have you iron ore, coal, potter's or fire clay, or other minerals, you wish to sell or have worked on shares? Have you land that you would like to have drained or cleared by contract or on shares? Have you water power that you wish to sell, improve, or rent? Do you want additional capital, or a partner in your business? Do you want to sell your stock of merchandise? Do you want to form a Company to create capital for any specific object? Do you wish to exchange your property for other property? Do you want in your neighborhood mills, foundries, tanneries, or other manufacturing? Have you any tools, machinery, or other articles, that you wish to sell, or which you want means to manufacture? If you have any of the above wants, or others of a similar character, and will incline to our address, (marked) a legal and correct description of them, and if property, its locality, proximity to canal, railroad, or navigable water, to churches, schools, mills, stores, &c., the lowest terms on which you will sell, mortgage, lease, exchange, or otherwise dispose of them, if you will also incline to use a Register for \$1, (the receipt of which will be acknowledged,) your want shall be recorded in our Register, and your letter placed on the file designated for your State and County, for the inspection, free of charge, of those who are seeking to purchase, lease, exchange, or invest. We make no charge to you for examining our Register and files. When they make known their wishes, they are referred to your own assessment of your wants; and as we have kept of the different States, and of such Counties as we have been able to procure; and as we employ agents to visit the vessels and steamers that arrive with Immigrants, (of whom from 1,000 to 5,000 arrive daily arriving,) and we have agents to distribute our Circulars through the strangers at the hotels; and as we advertise in the principal papers of the city of New York, and in various forms throughout all of the States, as well as the different Counties of Europe, from which Immigrants come, and where we expect our Circulars will be in the present ratio, and where also we shall agents in the principal parts of emigration, inviting all who wish to purchase, exchange, lease, or invest, to visit our office, without charge. We can offer a better medium of making your wants known to those who desire to know them, and of securing the end you desire, than any other mode yet practised. The best place for you to effect a sale, lease, exchange, or loan on your property, is in its immediate vicinity. If you cannot do this, the next best place is in the City of New York. Or if you want luminaries or settlers of any class here is the place to obtain them. Because here at all times and seasons, there are from 30,000 to 70,000 strangers, many of whom are seeking for investments or homes. Because there are probably 100,000 who want to remove from the city to their vicinity. Because here is concentrated a great proportion of the surplus capital of the Union, seeking investment. Because here, money is ordinarily worth from 5 to 7 per cent. per annum, on unfledged security, while you can afford to give as much as 10 per cent. per annum, if you would produce greater rate of interest, either in annual income or increased value. Because here, an examination of our files will inform those seeking to invest or settle, where the property is to be found which they seek. Because here, there is an opportunity to exchange country or other city property, for property in this city or its vicinity. Because a person, by spending a few hours in our office, without charge, can obtain more information of the property in market throughout the country, and the wants of humanity, than by months of travel. Because, finally, here in the commercial metropolis, where is concentrated the money and wants of a vast multitude throughout this and other countries, by regular sale and purchase, corresponding wants of our countrymen, both parties, those who wish to purchase and those who desire to sell, can be mutually benefited. In the description of property, be careful not to over estimate its advantages in any respect; for if you do, and we should send you a purchaser, his comparison of the reality with your statement, might defeat your object. When your property is sold, or otherwise disposed of, it is required that we shall be immediately informed of the fact. We do not propose to sell, or negotiate, or send purchasers to the owners, or special authority to us in respect; but when it is desired that we should sell, authority must be given. Our commissions on sales, exchanges, &c., are 2 per cent. The raising of companies, and other matters requiring special negotiation, will be subject to special agreement. Several farms in the same neighborhood often find a more ready sale than a single farm, as Immigrants desire to remain in companies. BRONSON, KNAPP & CO.
