Uleter-James McCarte.

The Committee on resolutions reported the fol lowing, which were unanimously adopted

Resolved. That our present License system regplating the sale of intoxicating liquors is an absurdity in legislation. If this business is proper, i should be left open to competition like other occu pations. It it is injurious to society, it is absurd to permit a privileged few to engage in it to the exclusion of others and protect them in the enjoymen of their monopoly by legal penalties

Resolved, That the action of our Legislature and

Courts has settled the question as to the right of society to prohibit the manufacture and sale of intoxicating liquors. The right to prohibit the sale in-cludes the right to prohibit the manufacture for the purpose of sale. And the right to prohibit the large majority of our fellow citizens from selling because the good of society so requires, includes the right to prohibit all from manufacturing or selling for the same reason.

Resolved, That we trace much the greatest por-

tion of all the unnecessary evils which society suffers to the manufacture and sale of intoxicating drinks. And it is now high time that this iniquity which has so long flourished under the protection of law should be suppressed by law. Moral sua-sion has been tried and has proved ineffectual for want of moral sensibility in those upon whom it should operate. Our reliance henceforth is in a law that shall punish the sale of liquors, as other outra ges against the public welfare are now punished.

Resolved, That we will hereafter vote for no man for the office of Representative or Senate, to our State Legislature, who is not in favor of a law prohibiting the manufacture and sale of intoxicating drinks, similar in its provisions to the Maine Liquor Law, and whose past conduct and known character for sobriety, do not give us satisfactory pledges for his fidelity to this cause

A. D. Montanye now moved that the Committee proceed to nominate candidates for Representatives, to be supported by the friends of the Maine Liquor

This motion elicited considerable discussion. portion of the convention were opposed to making any nomination until the Whig and Democratic parties made their nominations.

The convention finally decided to make nominations. Whereupon J. V. Daniels, of Burlington tp, and Zebulon Frisbie of Orwell were nominated on the first ballot.

On motion, Wyllis Brownson and A. D. Montan ye were appointed conferees to meet conferees from Wyoming and Susquehanna Counties, to put in nomination a candidate for Senator.

The convention was ably addressed by Hon H Williston, H Booth Esq James Elliott and others On motin of A. D. Montanye, it was Resolved, That the proceedings of this meeting

be-published in all the county papers. On motion the convention adjourned. [Signed by the officers ]

# Nomination for Senator.

By reference to the proceedings of the Senatorial Conference held in Laceyville, on Friday last, it will be seen that WM. M. PIATT, Esq , of Wyoming County, has been placed in nomination as the candidate of the Democracy for Senator-receiving the votes of the Conferees from Wyoming and Bradfor Counties-the vote of the Susquehanna Confer ees being cast for Wm. J. TURRELL, of Montrose

The Conference, we are happy to state transacted its business without delay or difficulty and the nomination was on motion made unanimous, the mem bers separated with a feeling of satisfaction at the result of their labors, which previous predilection

were not allowed to mar. The nomination of Mr. Platt, is particularly gratitying to Bradford County, he having for some years been a resident of this County, and being generally acquainted with our people. An acquain tance which has gained for him their respect and confidence. Possessing abilities of the highest order, they have a confidence in his integrity which

will be manifested at the polls.

The unusual number of offences brought before those offences, turnish a subject for serious consideration to the people of this county. Criminal trials threaten to absorb the whole attention of the Court and Jury to the exclusion of all other business -The administration of civil justice between man and man, is necessarily postponed to the great damage of our citizens, in order to mete out punishment to the public violators of the laws. We are burdened with heavy taxes for the payment of our State debt : and the still heavier impositions laid upon us by crime, to defray the expenses of convicting and punishing offenders, are peculiarly oppressive. Society also suffers much in the general tone of its morals from the examples of crime recurring among us with such alarming frequency.

Under these circumstances, and in view of the facts directed to us by our investigations, we deem it our duty to add our testimony to the mass of proof already given on this subject, that the use of intoxicating liquors is the chief source of the crimes which disturb the neace of society, endanger the security of our fellow citizens and burden them with taxation. It is therefore our opinion that the welfare of society and good of the State demand the enaciment of a law prohibiting the manufacture and sale of these liquors for general use, and we relegislature for the passage of such a law.

In the mean time we regard it the duty of our fellow citizens to enforce the law against the unlicensed sale of these liquors in the strictest manner; and to watch all abuses on the part of those who have license. It is of little use, so far as the protection of society is concerned, to occupy the time of courts and juries in convicting and punishing criminals, while the causes which make them criminals escape the observation of the law. E. O. GOODRICH, Ed. BRADFORD REPORTER .- Dear Sir:-Please to do us the favor, to say in your next ssue, that the Free Democratic Conferees of this Senatorial district, met at Montrose, on Tuesday he 6th inst.-Tyler Brewster, of Susquehanna, Chairman, and O J. of Bradford county for Senator I am told that our good friends of temperance and of the Maine Law, have really taken the field, and hoisted a fragmentary banner. Undoubtedly have nominated good christian gentlemen for the Assembly, who are fair exponents of their principles. But as the Whigs have adopted one of their candidates-having, it is said, a pre-emption right commend our fellow citizans to petition to the next to him, the anti-Maine Law Whigs will of course

go for Col Barton and secure his election. Free Democrats, I am happy to be assured, will stand for virtue, LIBERTY, independence, and their own candidates, as they always have done -They believe man to be more than the Maine Law and of course will not sacrifice the former to the

We cannot resist the conviction that our excellent temperance friends would have made a much bester investment of their Maine Law capital, had they deposited it with the Free Democracy. As now placed, it will be hard to find it after paying the certain instalments and dividing the spoils.
