Dr. Marchisi's UTERINE CATHOLICON.

THE undersigned, having been duly appointed Agent for the sale of this truly INVALUABLE MEDICINE would respectfully invite the attention of Ladies and Practitioners of Towanda and vicinity, to the gratifying success that has attended its use wherever introduced, and its happy adaptation to the cure of all the distressing diseases for which it is offered; being those incidental to the respectable female, whether married or single, and usually known by the name of

FEMALE COMPLAINTS.

Of these are Prolapsus Uteri, or falling of the Womb; Fluor Albus and Ulceration of the Womb; Incidental Hæmorrhage, or flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted) no matter how severe, or of how long standing.

That the CATHOLICON is in every way worthy of the confidence of the afflicted as a successful, safe, and cheap remedy, is vouched for by the fact of its having received the approbation and liberal patronage of many prominent members of the

Medical Faculty

in the United States, and also by the voluntary testimonials given in the testimonials given in the pamphlets, from ladies and Physician of the highest respectability as certified by the most satisfactory authority.

This preparation is not a "cure all," but it is intended expressly for the above named complaints, so very distressing in their nature and consequences and which have heretofore resisted the skill and exertions of the most accomplished Physicians of all countries, to a degree beyond that of perhaps any other malady to which the human family is heir.

The ingredients, as certified by high medical authority, (see pamphlet) are all VEGETABLE, and are not associated with any article unfriendly to the animal economy.

Patent Sewing Machine,

for the counties of Bradford and Susquehanna. Any person wishing to purchase the right for using the above Machine in said counties, can be accommodated by calling on him, where they can see it operate. It is well demonstrated that this machine is the best patent now in use. Its validity has been established by trial at law in Boston, in July, 1852. This trial resulted in fully confirming and establishing the claims of Howe's Original Patent to the exclusive right and use of all needle and shuttle Machines, or their equivalents, and the stitch and seam formed thereby. G. H. B.

The public are cautioned against purchasing spurious Machines, as all Sewing Machines now in use infringe upon this invention, and all parties who have infringed, by using Machines or otherwise, who wish to save legal expenses, may obtain proper license under the original patent by applying as above.

INFORMATION FOR THOSE WHO WANT AND FOR THOSE WHO HAVE MONEY OR PROPERTY !!!

Do you want to sell or mortgage any real estate?

Have you a bond and mortgage you wish to sell?

Have you houses, taverns, or lots, that you wish to sell or lease?

Have you a mill, factory, foundry, tannery, or other manufacturing establishment, that you wish to sell or rent?

Have you iron ore, coal, potters' or fire clay, or other minerals, you wish to sell or have worked on shares?

Have you land that you would like to have drained or cleared by contract or on shares?

Have you water power that you wish to sell, improve, or rent?

Do you want additional capital, or a partner in your business?

Do you want to sell your stock of merchandise?

Do you want to form a Company to create capital for any specific object?

Do you wish to exchange your property for other property?

Do you want in your neighborhood mills, foundries, tanneries, or other manufactories?

Have you any *well tested* improvement in machinery, or in the arts, which you want to sell, or which you want means to manufacture?

If you have any of the above wants, or others of a similar character, and will inclose to our address, (post-paid,) a legible, clear and exact description of them; and if property, its locality, proximity to canal, railroad, or navigable water, to churches, schools, mills, stores, &c., the lowest terms on which you will sell, mortgage, lease, exchange, or otherwise dispose of it; and if you will also inclose to us a Registration fee of $1; (the receipt of which will be acknowledged,) your want shall be recorded in our Register, and your letter placed on the file designated for your State and County, for the inspection, free of charge, of those who are seeking to purchase, lease, exchange, or invest.

We make no charge to any for examining our Register and files. When they make known their wishes, they are referred to your own statement of your wants: and as we have Maps of the different States, and of such Counties as we have been able to procure: and as we employ agents to visit the vessels and steamers that arrive with Immigrants, (of whom from 1,000 to 5,000 are daily arriving,) and we also have agents to distribute our Circulars among the strangers at the hotels; and as we advertise in the principal papers of the city of New York, and in various forms throughout all of the states, as well as the different countries of Europe, from which Immigrants come, and where we expect one of our Firm will for the present reside, and where also we shall agents in the principal ports of embarkation, inviting all who wish to purchase, exchange, lease, or invest, to visit our office, *without charge*—

We are confident that we offer a better medium of making your wants known to those who desire to know them, and of securing the end you desire, than any other mode yet practised.

The best place for you to effect a sale, lease, exchange or loan on your property, is in its immediate vicinity. If you cannot do it there, the next best place is in the city of New York. Or if you want Immigrants or settlers of any class here is the place to obtain them:

Because here at all times and seasons, there are from 30,000 to 70,000 strangers, many of whom are seeking for investments or homes.

Because there are probably 100,000 who want to remove from the city or its vicinity.

Because here is concentrated a great proportion of the surplus capital of the Union, seeking investment.

Because here, money is ordinarily worth from 5 to 7 per cent. per annum, on undoubted security, while you can afford to give as ample security, or other inducement, where it would produce greater rate of interest, either in annual income or increased value.

Because here, an examination of our files will inform those seeking to invest or settle, where the property is to be found which they seek.

Because here, there is an opportunity to exchange country or other city property, for property in this city or its vicinity.

Because a person, by spending a few hours in our office, without charge, can obtain more information of the property in market throughout the country, and the wants of community, than by months of travel.

Because, finally, here in the commercial metropolis, where is concentrated the money and wants of a vast multitude throughout this and other countries, by recording the opposite, but corresponding wants of our countrymen, both parties, those who wish to purchase and those who desire to sell, can be mutually benefited

In the description of property, be careful not to over estimate its advantages in any respect: for if you do, and we should send you a purchaser, his comparison of the reality with your statement might defeat your object. When your property is sold, or otherwise disposed of, it is required that we shall be immediately informed of the fact. As we do not propose to sell, but negotiate, and send purchasers to the owners, no special authority to us is requisite; but when it is desired that we should sell, authority must be given.

Our commissions on sales, exchanges, &c., are 2 per cent. The raising of companies, and other matters requiring special negotiation, will be subject to special agreement.

☞ Several farms in the same neighborhood often find a more ready sale than a single farm, as Immigrants desire to remain in companies.
