Towanda, Oct 8, 1852, ... Proprietos

where is concentrated the money and wants of a vast multitude throughout this and other countries, by recording the opposite, but corresponding wants of our countrymen, both parties, those who wish to purchase and those who desire to sell, can be mutually benefited In the description of property, be careful not to

over estimate its advantages in any respect: for if you do, and we should send you a purchaser, his compari son of the reality with your statement might driest your object. When your property is sold, or other wise disposed of, it is required that we shall be imme-diately informed of the fact. As we do not propose to sell, but negotiate, and send purchasers to the owners, no special authority to us is requisite ; but when it is desired that we should sell, authority must be given.

Our commissions on sale, exchanges, &c., are 2 per cent. The raising of companies, and other matters requiring special negotiation, will be subject to special agreement.
