person wishing to purchase the right for using the above Machine in said counties, can be accommodated by calling on him, where they can see it operate. It is well demonstrated that this machine is the best patent now in use. Its validity has been established by trial at law in Boston, in July, 1852. This trial resulted in fully confirming and establishing the claims of Howe's Original Patent to the ex-clusive right and use of all needle and shuttle Machines, or their equivalents, and the stitch and seam formed thereby. G. H. B.

The public are cautioned against purchasing spurious Machines, as all Sewing Machines now in use infringe upon this invention, and all parties who have infringed, by using Machines or otherwise, who wish to save legal expenses, may obtain proper license under the original patent by applying as Towarda, August 15, 1853.
