be sold in any other establishment in this country. They have also on hand a well manufactured assortment of

Ready-Made Clothing, to which we invite the attention of buyers. Our Clothing is mostly made up in the shop-and not purchased at "slop-shops" as some we wot of. Orders in the Tailoring live executed in the most

fashionable manner, at the shortest notice, and war ranted The public will please notice one fact, that

NO ONE not practically acquainted with the business NO ONE not practically acquainted with the O-isiness is capable of judging of the quality and make of a garment; hence the reason why the community have been so much imposed upon by a certain class of community who deal in the article, who, if they were not practically and professionally cheats, could of necessity, know nothing about the business. They are certain, if the public would consult their true interest, they would purchase only of those ace quainted with the business. Towanda, April 12, 1854.
