100 HICKOK'S PATENT IMPROVED CIDER MILL.

Towanda, Novomber 12, 1853.

HICKOK'S PATENT IMPROVED CIDER MILL.

In the present arrangement of this likely a provided and rainable Mill, the labor is dishied by arranging a cutting Cytinders to be reduced to resence life this arrangement the work is performed factor and with a the lower Cytinders to be reduced to resence life this arrangement the work is performed factor and with melians labor.

The Press is arranged with a much larger crew than formerly, and by a very ingenited derive the use of the larger is dispensed with an other than more than a formerly, and by a very ingenited derive the use of the larger is dispensed with an other to the use of the larger than a promote the promote with match less laber then by the old method. The Cytinders are exverted with every sheet life, both on their peripherics and ends; the wood in them is arranged on an other swell, and the white works and only with a perial is due to their durishing and everyle.

Be Farmaner who uses the bill carefully and defected matchings on his farm one of him more valual behalf and effected matchings on his farm one of him more valual behalf with the during white the supples are the citizen and more valual plant of the larger with an enablase on his farm. The matchine is made to run by horse, steam, or hand, but the country of the larger with the supples without grinding them in the supples without grinding them in the supples without grinding them in the supple without grinding them in the supple without grinding them in the supple without grinding them is made that a more and more production of the Ckler, a considerable quantity being absorbed by the strew and the mass of pomese; and to be that a minute of the provided with the disconting and the statement of a few facts will be a supple with the supple without the supple with the supple without the supple with the supple without the supple with the supple without the supple without the supple with the supple without the supple without the supple wit
