GREAT ENGLISH REMEDY!

The most valuable Spring & Summer Medicine IN THE WORLD.

DR. HALSEY'S FOREST WINE !! DATRONIZED by the nobility and Medical Fac-

1 alty of England, and esteeneed the most extra-ordinary medicine in the world. Medicines containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles

ro, produce the slightest change in health. The FOREST WINE is altogether a different article. It contains not syrups to give it cousistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of, which & is composed. The Forest Wine combines the virines of the

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective. Its high concentration renders it one of the most

efficient medicines now in use. Sometimes less than a single bottle restores the hogering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the trongest terms, for all complaints of the Stomsch, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appètite, Jann, dice, Female Complaints, Scrotula, and all Disor-ders arising from Ban Broop and impure habit of the system.
