GREAT ENGLISH REMEDY!

The most valuable Spring & Summer Medicine IN THE WORLD. DR. HALSEY'S FOREST WINE!! PATRONIZED by the nobility and Medical Faculty of England, and esteemed the most extraordinary medicine in the world. Medicines containing molasses or liquorice, like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective. Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from Bad Blood and impure habits of the system.

SAVED FROM DEATH!

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J. Dr. G. W. Halsey—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, my doctor began to give up, and my physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly relieved. Hopes of my recovery began to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy a perfect health as ever did in my life, although I am more than sixty years of age. Yours respectfully, NEWARK, N. J., Dec. 19, '47. N. MATHEWS. GREAT CURE OF LIVER COMPLAINT, TEN YEARS STANDING. NEW YORK, Jan. 9th, 1848.

Dr. Halsey—Dear Sir—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years, and all having adhered to the directions which accompany the medicine, I have recovered my health notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke to me of your medicine, and I was induced to try it, from making use of some advertised remedies, I doubt not, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, flaming advertisements. But, what a pity it is, that the deceits of men, used by others, should be the means of dissuading you from your excellent medicine, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days, and in six weeks from the time I purchased the medicine, to the great surprise of all my friends, I was entirely cured, and all my ailments, in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c., JAMES WILSON.

Are diseases of the mind as well as of the body, usually brought on by troubles and afflictions, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints. Extract of a letter from Joseph C. Paulding, Sept. 7, 1848. Philadelphia.

Dr. G. W. Halsey—Dear Sir—Your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been afflicted for many years. Her body was almost wasted away. She was frequently started in her sleep by frightful dreams, awaking gasping and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine and a box of the Pills she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

Dr. David Martin, a celebrated practitioner of N. Y., declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of sarsaparilla. Messrs. Lampan & Co. one of the largest and most respectable drug stores in Syracuse, in a letter say—"From what we have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will undoubtedly be one of the leading and best medicines of the day."

The Forest Wine is put up in large square bottles, or six bottles for \$5. Gum coated Pills, 25 cents per box. Agents are authorized to retail as well as wholesale on as favorable conditions as the proprietor, No. 161 Duane st. corner of Hudson, New York. Apportioned agents, H. C. PORTER, Towanda, C. H. Herrick, Athens, Drake & Allen, Waverly.
