GREAT ENGLISH REMEDY The most valuable Spring & Summer Medicine

PAFRONIZED by the nobility and Medical Fact ulty of England, and esteemed the most extraordinary medicine in the world.

FOREST WINE is altogether a different article It contains no syrups to give it consistency, but accomposed. The Forest Wine combines the virtues

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla! with other valuable plants whose properties are

still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite. SAVED FROM DEATH!

Testimony of Mr. Nathan Mathews, a highly respect-able and wealthy citizen of Newark. N J: DR. G. W. HALSEY :- I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma.-My physicians had given me over as past cure, and my family had lost all hopes of my recovery.— While in this d eadful situation, your Forest Wine and Pells were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduand after continuing the use of your medicines for bout a month, the Piles and Asthma were con pletely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.
NEW YORK, Jan. 9th, 1848.

Dr. Halsey-Dear Sir:-Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health notwithstanding al, who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved 'my life; when I commenced making use of them. I was in a wretched condition, but begin to experience their good effects in less than three days and in six weeks from the time I purchased the medicines, to the great surprise of all my friends,! was entirely cured, and had increased fitteen pounds in weight, having taking one box of the Pills, and two bottles of the Wine Would to God that every poor sufferer would avail himself of the same remedies.
