J. WINTOSH, DENTIST,
DR. J. ALLEN, late Professor in the Ohio College of Dental Surgery, has discovered a method of inserting Artificial Teeth on plate, which makes any further improvement impossible.
 It combines strength and durability with perfect cleanliness. The gum is continuous, and so can be made to suit any case, however difficult. So life-like is the expression, that the most familiar with artificial teeth fail to determine they are false; the teeth appearing as if they actually grew out of the gum.
 I have secured letters patent for Bradford Co. Office in Mercer's Block.

GREAT ENGLISH REMEDY!
 The most valuable Spring & Summer Medicine in the world.
DR. HALSEY'S FOREST WINE!!
 PATRONIZED by the nobility and Medical Faculty of England, and esteemed the most extraordinary medicine in the world.
 Medicines containing molasses or liquorice, like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the
Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!
 with other valuable plants whose properties are still more effective.
 Its high concentration renders it one of the most efficient remedies in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Gall Bladder, and all the Biliary Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from Bad Blood and impure habit of the system.
SAVED FROM DEATH!
 Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.
 Da. G. W. HALSEY—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and I was at the point of death, when I received your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Yours respectfully,
 Newark, N. J., Dec. 19, '47. NATHAN MATHIEWS.
GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.
 New York, Jan. 9th, 1848.
 Da. HALSEY—Dear Sir:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of thirty years, and all the remedies I have used in the direction which accompany the medicine, I have recovered my health notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and I do not but, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men in flaring advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading persons from trying your disease, from making trial and being cured by your excellent remedies. Humbly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicine, and continued its use, all my ailments, I was entirely cured, and had increased in weight, having taken one box of the Pills, and two bottles of the Wine. I would to God that every poor sufferer would avail himself of the same remedies. Yours, &c., JAMES WILSON.

NERVOUS DISORDERS
 Are diseases of the mind as well as of the body, are usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.
 Extract of a letter from Joseph C. Paulding, dated Philadelphia, Sept. 7, 1818.
 Dr. G. W. Halsey—Dear Sir—Your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, which she had been afflicted for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the wine, and a box of the Pills she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.
 Dr. David Martin, a celebrated practitioner of N. Y. declared publicly, that one bottle of Halsey's Forest wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. Lampan & Co. one of the largest and most respectable druggists in New-York, in a letter say—"From what we have heard and seen of Halsey's Forest wine, it is an excellent and good medicine, and will undoubtedly be come the leading and best medicine of the day."
 The Forest wine is put up in large square bottles with Dr. Halsey's name blown in the glass: \$1 per bottle, or six bottles for \$5. Gum coated Pills, 25 cents per box. Agents are authorized to retail as well as wholesale on as favorable conditions as the proprietor, No. 161 Duane st. corner of Hudson Street, N. Y. Agents also, H. C. PORTER, Towanda, C. H. HERRICK, Athens, Drake & Allen, Waverly.
