The canon was passed, after many minor amendments, with only two dissenting votes among the clergy, and unanimously among the laity.

WHAT THE ABOLITIONISTS ARE MAD ABOUT .-A friend recently from Washington has related to us a little incident that transpired a short time ago in the Senate-Chamber, and, which made some amusement among the members.

Mr. Gillet our senator, sits near to Toombs of Georgia, and they frequently pass a good shelter. Before morning the wife was frozen humored joke. A few mornings ago, just before the Senate was called to order, while several lives of his children, the man killed both his of the members were standing near, Toombs oxen, cut them open, took out the viscera, said to Gillet:—"They say Gillet that you abolitionists are mad with the Almighty for making the niggers black."
