The accounts which we shall send, will be made to the end of the volume, at the rate of \$2.50 per year-if paid by the 9th of June we will educt at the rate of \$1 per year-but after that time, the full amount to which we are lawfully entitled will be expected.

If any errors should be made, they will be cheerfully corrected.

The low price at which the Reporter is now furnished imperatively demands advance payments. It would be ruinous on any other terms. We shall be obliged to confine ourselves very strictly to the rule. In commencing this plan, we expect to part with many of our old customers who have paid us regularly, but not in advance. But we trust that in time they will be satisfied that the arrangement is better for both, and also that it is impossible for us to discriminate in particular instancesbut necessary that we should strike off every subscriber's name, when the subscription ex-

It there are any of our subscribers who know they are in arrears, but flatter themselves that their names will not be erased, we assure them that they will be mistaken. It is the careless and negligent who are the greatest drawbacks to the country printers. Men who are aware of their indebtedness, and the necessity which exists for their promptness, and yet who delay for years. We shall revise our list, "without fear, favor or affection."

In this connection, we might say, that we have already received unmistakable evidence of the general satisfaction which the adoption of advance payments gives to our patrons, and to all who wish to take a County paper. Very many have already complied with our terms, and have expressed their appreciation of a measure which is better for both patron and pub-

Burlington, March 21, 1855. FARMERS, ATTENTION!

Plant your Corn economically and scientifically! C. H. DANA'S HAND CORN PLAN-TER. patented September 5, 1854, costs ONLY THREE DOLLARS, and is therefore within the means of every man who plants half an acre of ground. It is simple in its construction, and executes its work with accuracy and despatch on various kinds of soil.

Unlike other planters, it has no gearing to get out of repair, but is carried in the hand like a cane, and can be worked up hill or down; as well as on level ground plant.

repair, but is carried in the hand like a cane, and can be worked up hill or down; as well as on level ground, planting as much ground in a day as five men can with hoes.—
It may also be used to plant beans, as it can be guaged to drop as few or as many kernels as desired. It is meeting with unprecedented success everwhere it is introduced, having been presented at several Agricultural fairs, and always without exception received the highest premium, being the best and cheapest implement of the kind in use.

The undersigned, having purchased the right of selling the said Planters in Bradford county, will canvass the county in April, at which time he will supply those who wish, or dispose of Town Rights to any who wish to purchase.
