The history of Horace Greeky's arrest in Paris is briefly thus :- The arrest was made at the suite of LESCHESNE the sculptor, who had a claim against the Crystal Palace for a statue—a full-length Bacchante we believe, which still lies safe and sound in one of the hold Mr. Greely personally responsible as Director of the Association. The Court refreed to adopt M. I responsible as T fused to adopt M. LESCHESNE'S view of the matter and discharged the defendant.

It is a medicine perfectly pleasant in its taste, and verinnocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this content of the property of the lisease; and, unlike other remedies, it does not dry up

the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the hu man race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this INFALLIBLE REMEDY.

And as a medicine which must benefit everybody from the simply delicate to the confined and despairing invalid, no could is to be found acting both as a cure and preventive.

HEMBOLD'S HIGHLY CONCENTRATED Compound Fluid Extract Sarsaparilla. For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the blood, and the only reliable and effectual remedy known for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the face and all Scaly Eruptions of the Skin.

This article is now pre-scribed by some of the most dis-

striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

Norice—Letters from responsible Physicians and Professors of several Medical colleges, and certificates of cures from patients will be found accompanying both preparations.

which is attached a LATH MILL, and with power sufficient to run a single machine, and pair of Burrs for chopping feed, &c.

The land is situated in Overton township, in the centre of the Coal and Iron region of Bradford County, and on it have been found large deposits of iron ore of a superior quality. This property to Lumbering men offers greater inducements than any other in Noruhern Pennsylvania, inasmuch as the timber has never been culled out, and lying as it does within 2½ miles of the Barclay Coal Company Railroad, now in process of construction, and connecting by said Railroad, with the River and Canal at this place.

place.

\*\*There have been opened upon this property three beds of IRON ORE, of a very superior quality and richness, two of which are ten feet in thickness each, yielding about 35 to 40 per cent. pure metal, and one smaller yielding a much greater per cent; all extending through 900 acres of the property. This ore is easy of access, and can be procured at a very small expense.

Persons desirous of viewing the premises will call on the subscriber at this place.
