THOOPS IN CANADA. There are usually eight This is the explanation which is given by the New York Post of the order for the removal of troops, as mentioned in the London Times.

Sunday morning last, was one of the coldest of the season, and Monday morning at 7 o'clock the thermometer sank to 19 degrees below zero. Think of that, for the 10th day of March. The sleighing in this vicinity is yet excellent, and winter shows little prospect of giving way for the approach of Spring.

# tural Society.

The Executive Committee of the Bradford County Agricultural Society, in pursuance of their duty, make the following report of the proceedings of the Society for the year 1855 : The publication of the Annual Report in amphlet form is attended with with considerble expense; and although very desirable as record for future reference, yet it was deemadvisable by the committee to omit this orm of publishing the present report as a mat-

ter of economy, in view of important outlays its funds, which, it is believed, should be de immediately for the permanent interests of the Society. To this determination they were also led in view of the full published Report of the awards of premiums immediately after the Annual Fair in October. ANNUAL FAIR.

ald naturally effect the Society's exhibition Towanda. This was evidently the case to

artments of the exhibition, without stopping them to adorn and give interest to our Fairs

It is proposed to hold a Teacher's Institute of sevent many whose crops could not be gatherland prepared for measuring, from competing a premiums. To obviate this difficulty, nore was published with the rules, that the bough of Towanda on the first Monday of Delander for the purpose of adjudging such aplikations of competitors as were made up to the constant of the competitors as were made about week after the time appointed in the notice. These of course the committee were not authorland to receive. It is suggested that such aclike is proposed to hold a Teacher's Institutes of the Sammer Schools. To acher's feeling an interest in the conso of education, their o vn improvement, and the elevation of their protession, or re respectfully invited to attend. The County Superintendent will protect the services of able and experienced Teacher's for the occasion, so that Teachers at tending need be to very little expense, aside from board, which can be outsined upon re isonable terms.

Teacher's Institutes have been held in many counties of the state within the past year, with the most beneficial results. To one county two hundred dollars were appropriated to defray the expense of helding an Institute one week. In adjoining States Institutes are regularly held and are considered very efficient means to redvancing the interests of the cause of education by Common Schools.

We hope the teachers of Bradford will not be far behind in this matter. Those who will attend are desired to forward their names to the subscriber before the 20th itst. or as soon as possible. Notice will be given of the time and place of holding the interest.

se and fine, exceeding in variety and quali by former exhibition. The rapid advance in fruit culture in our county is exceedapparent and gratifying ; nor is this culconfined to the improvement of the comvarieties of the country. Many specimens he more delicate character and difficult prowere presented, of rare merit, and dogeredit to the producers.

e competition in this department was h larger and more spirited than at former The specimens of Butter and Cheese ted, were worthy of the high praise ch they received from the Judges and oth-

in this department an interest which by no means should be suffered to flag.
