Wednesday, March 26, 1856. The Union State Convention composed of delegates from the American, Republican and Whig parties, met in the Hall of the House of Representatives at 12 o'clock, and was tempo-rarily organized by the selection of John Co-vode as President, and Messre Bootton, Representatives, Republican and Messre Bootton, Republican and Might, Henry Johnson, Sam'l Rayer, L. L. M'Gufin, D. C. Boal, R. P. M'Dowell, Wm. Jessup, J. M. Oliphant, Thos. J. Power, J. B. McAnnally, Reinhart, Jas, W. T. McAllister, John N. McDonald, M. C. Merenn, Thes. C. Steel Mr. BALL, on taking the chair, thanked the Convention for the honor conferred upon him.

Jones, Andrew Carns, J. F. Linderman, Jona.

He said that if he consulted his own feelings None he would decline the position at once ; but the circumstances under which they had assembled demanded that they should all yield personal considerations to carry forward to a

happy conclusion the important political move-ment that has called these Delegates together. He was one of those who had joined in the call for the Convention. He had signed it af-ter anxious deliberation, but believing that the public mind was prepared for such a step ; that the different elements would select their delegates from the earnest class of their friends, and send them here to unite upon some practical basis to give effect to the power we possess. He referred to the American, Republi

ean and Whig parties-to their distinctive characteristics, and closed with an earnest and effective appeal in support of a candid Union of the parties. Mr. M'Calmont moved that a committee of

one from each Senatorial district be selected by the delegates from the several districts, to

report resolutions. The motion was then post-poned to enable the committee on contested seats to report. Mr. Jordan from the committee reported in favor of admitting both ontestants in the Blair Senatorial district, to ast but one vote, and that vote to be east by Mr. Royer. The contest from the Mifflin dis trict was decided in favor of Mr. Stewart .---The contest in the Cambria Representative district was decided in favor of Mr. King and that in the Union district was settled by adnitting both the contestants, giving Mr. Guelious the right to cast the vote.

The following committee on resolutions was then selected :- Messrs. McCalmont, Flanigen, Strong, Small, (Philadelphia) Cooper, Cornman Shainline, Downing Myers, Cowell, Franklin, Killinger, Fisher, Weaver, McLellan, Small, (York) Smith, (Cumberland) Ingham, King, (Cambria) Brower, Mercur, Olm-

tead, Derrickson, Chamberlain, Howard, Gazzam, Lawrence, Scull, Moorhead, Morrison, Coulter and Palmer. Mr. Killinger moved that the Convention

proceed to make general nominations for Canal Commissioner, Auditor General and Surveyor General, which after some discussion was agreed to. The following nominations were then made :

CANAL COMMISSIONER. Dr. E. D. Gazzam, of Allegheny. Robert Stitt, Westmoreland. Peter Martin, Lancaster. William Williamson, Chester. Gen. Wm. F. Small, Philadelphia Hon. Ner Middleswarth, Snyder. Henry W. Snyder, Snyder. Benjamin Hartshorne, Clearfield. Adin W. Benedict, Huntingdon. Orsemus H. Wheeler, Carbon. Bartholomew Laporte, Bradford, William M. Lloyd, Blair. Wm. B. Anderson, Perry. John A. Fisher, Dauphin. Thomas E. Cochran, York. Levi J. Nichols, Tioga. Henry S. Kupp, Berks.

AUDITOR GENERAL. Peter Martin, of Lancaster. David Sankey, Lawreuce. C. A. Walborn, Philadelphia. Darwin Phelps, Armstrong. Jared B. Evans, Jefferson. Robert M. Foust, Philadelphia. Eli Slifer Union Nathniel B. Hobart, Montgomery. B. Rush Bradford, Beaver. William E. Frazer, Fayette.

concession, we will cordially unite in the sup-port of the candidates to be nominated by this onvention, upon the basis of those princ ples upon which we are mutually agreed. Resolved, That the present National Admin-istration, by the exercise of an unwarranta-ble influence in the repeal of the Missouri Compromise, at the instance of selfish and sectional politicians; by the removal of honest mpetent men from offices of honor and and co rder that their places might be filltrust, in ed by inefficient and corrupt partizans ; by refusing to protect the freemen of Kansas in the enjoyment of the rights designed to be secur-

ed to them by the Constitution and laws o the United States-thereby showing itself powerful for mischief, but feeble in the maine of laws for the protection of the pe ple and the honor of the country-has justly forfeited all claim to the confidence and res pect of the people of this Commonwealth.

Resolved, That we will use all honorable means to check the evils inflicted upon the country by the unjust and sectional measures adopted by the present National Administra-tion, brought about by the exercise of its patronage ; that we are utterly opposed to the admission in o the Confed racy of Slave States formed out of territory once consecrated to Freedom ; and also to the extension of Slavery into any territories of the United States now Free.

Resolved, That we cordially disapprove o the interference of foreign influence of every kind in our civil and political affairs ; and are equally hostile to the interference of the gov ernment or people of the United States in the affairs of other nations, regarding any such interference as unwise and in conflict with the recommendation of Washington's Farewell Address, which inculcates with emphatic earnestness, the propriety of avoiding the adoption of any policy which might involve ns in unprofitable and dangerous controversies with foreign nations.

Resolved, That we regard the pandering any party to foreign influence as fraught with manifold evils to the country, threatening the stability of our institutions and endangering the morals of the people by a contact with the paupers and felons cast upon our shores from hospitals and prisons of Europe.

Resolved, That as American liberty depends for its preservation on the intelligence of the people, universal education is the first duty of the State, and that all attempts, by whomso ever made, or from whatever quarter instiga-

ted, to destroy such a beneficent system by perverting it to sectarian purposes, or oppos ing its progress and extension, because it is not the instrument of inculcating any particular religious creed, ought to be resisted as

fraught with incalculable mischief and evil. Resolved. That the respect and confidence of this Convention and the people of this Commonwealth are due to the present Chief Magistrate of the State and to the members of his Administration, for the integrity, purity of purpose and sterling patriotism manifested in official conduct, and we heartily commend them to the support of every citizen who values the honor and interests of the State, and can appreciate the virtues of devoted and faithful public servants.

Mr. Ingham offered additional resolutions Reselved, That in the Slave power of this Union, we recognize a great and growing aristoeracy which now controls the General Government and shapes its entire policy with the design to make "Slavery national and Freedom sectional," and while we are not disposed to interfere with Slavery in the States, we are determined to repel its aggressions, and to claim for the North its proportionate influence in national affairs.

Resolved, That we regard the decision of Judge Kane, in the case of Passmore Williamson as an abandonment of the doctrine of State rights, and dangerous to the personal liberty of the citizens of this State.

Resolved, That we regard the Fugitive Slave Law as wholly uncalled for by the Constitu-

as baricalO. to tane stance add in THE UNION CONVENTION.

We publish, this week, the proceedings of the Union Convention held at Harrisburg on

the 26th inst. It will be seen that the Convention was well attended and its proceedings enthusiastic and harmonious.

The persons put in nomination for the State offices were selected with great judgment. A better ticket has never been presented for the suffrages of the people of this Commonwealth. The nominees are sound upon the great ques. tions now agitating the country, and are well qualified to discharge the duties appertaining to the different posts for which they have been named, with credit to themselves and with advantage to the Commonwealth.

With the resolutions we are not so well pleased. As far as they relate to the struggle between Slavery and Freedom, they are all we could ask. But there are other matters introduced, which we think have no place there, because they represent no issues before the country, and are sentiments about which there are no differences of opinion. Their introduction at this time, and in this manner, only serves to derogate from the real and living issue upon which the contest must turn, and will throw a shadow of suspicion over the movement, which the meaning of the resolutions does not warrant

It is not our purpose to examine the resolutions separately, to point out what we commend, and what is obnoxious. Their spirit, as far as they relate to the aggressions of Slavery is admirable-more than we had any reason

shall then have our hearty support, and we be- in their respective counties, on Saturday, the 31st day of May next, (unless some other day will better accommolieve the people of the Commonwealth will be ready to testify at the ballot-box their detestation of the present National Administration. resent this state in the National Nominating Convention to be held on the 17th of June next, at Philadeiphia.

THE LEGISLATURE.

The Legislature has at length settled the li-

dollars ; and persons who sell enough liquor to make any one drunk, are also to be fine ive dollars, in addition to all the penalties prescribed by any existing law. penalties for a violation of the act are of not less than ten nor more than or undred dollars, for the first offense ; and for second, or subsequent conviction, the same

alty and also imprisonment not less than one nor more than three months, forfeiture of license, and incapacity to receive another ense for five years thereafter.

-The bill providing for the employment and support of the poor of Bradford county, passed the Honse last week with amendments, the nost important of which are, that its operation is suspended for one year, and in the mean time a provision authorizes a vote of the people upon it, and the result of the vote determines whether it shall go into effect or not .--There is also a section providing that if any portion of our county should hereafter be cut off and a new county erected, that part cut off should have the same benefits from the poor house as if the division had not been made. -The Legislature will probably adjourn on

or about the 22d inst.

FIRE .-- The steam saw mill of David Gardner, in Athens township, was destroyed by fire on Saturday night, 22d ult. The mill had just been repaired and put in unning order, and was to have been started running, the first of the week. It is a serious oss, not only Mr. Gardner, but many other persons of that place, who were depending in some way upon the mill. It is thought that the cold weather had cracked the arch, so as to let the fire through amongst the chips and saw-dust. Mr. Gardner's loss is estimated at about \$3000.

We are glad to learn that the Spring Term of the Collegiate Institute, which comnenced on the 26th ult, opened under very flattering auspices. The number of pupils in attendance was greater, by some twenty or thirty, than at the commencement of any previous term, and the rooms are being filled from day to day by pupils from abroad, as well as from our own village. This speaks well for those who have charge of that institution.

Hos. G. A. GROW will address a meeting of his constituents, at Montrose, on Monday evening next. REPUBLICAN STATE CONVENTION Is admirable—more than we had any reason to expect from a Pennsylvania Convention,not strictly Republican. So far we endorse them, and no farther. And they become of seconda-ry importance, in view of the fact that good and true men have been nominated. We are satisfied with the nominees of the Convention—with its expression in regard to Freedom—and shall look with confidence to the Republican State Convention for the en-dorsement of so much of the action of the Un-ion Convention as is proper. The candidates shall then have our hearty support, and we be-

date.) and elect delegates to represent them in said State Convention ; and also, at the same time and place, three delegates from the several Co gressional districts, to rep-resent this state in the National Nominating Convention

We crave the indulgence of our readers or the lack of news in this week's paper. The anse is apparent; and we shall endeavor to take amend hereafter.
